3 - 1

Learning Objectives

- Explain how individuals develop their personal *codes of ethics* and why ethics are important in the workplace.
- Distinguish *ethics* from *social responsibility* and identify *organizational stakeholders*.
- Show how the concept of social responsibility applies both to environmental issues and to a firm's relationships with customers, employees, and investors.
- Identify four general *approaches to social responsibility* and describe the four steps a firm must take to implement a *social responsibility program*.
