Maggie's always found strange and unusual creatures in her job as a marine biologist but she wasn't prepared for the strange weirdness of her lab's new occupant. Descended from ancient gods of old, the creature has an appetite for seducible women. And Maggie, intrigued and titillated by its past, is all too willing to let it indulge. Agile and flexible, the creature is willing and able to pin Maggie down and use her to its most perverted ends. Researching the Tentacles Sarah has been investigating a strange phenomenon that women have been experiencing. The same monster keeps showing up in the pictures that she's uncovered, leading her further into the mystery. But it's not until one of her friends gives her access to her lab and the specimens inside it is Sarah able to experience the phenomenon for herself. Researching the Tentacles 2 Sarah's new and intriguing research subject has already shown her indescribable things and she wants more. Joined by her equally entranced friend Maggie, the two take a boat out into the middle of the ocean to search for meaning for explanation but most of all for pleasure. But the two are pulled underwater to confront the creatures that started it all and Sarah and Maggie indulge in their desires not only with things of myth but also with each other.

Creamed by the Tentacle King Sarah

Sethline, 2019-08-17 Her out of control mind rejoiced as all seven tentacles exploded their secretions DEEPLY into her once again. Kimmy is a hot tight sexy scientist looking forward to having her hands all to herself on a weekend outing in her research boat. Her bio partner bailed on her which means any discoveries she makes are hers and hers alone to take credit for. It looks as if it'll be a pretty low key adventure when she settles in for some sunbathing in her smokin' new bikini. That is until she's slowly awakened by the feel of TENTACLES filling her everywhere. A MONSTER unlike any other known to science has come aboard the ship and it's not leaving until it deposits its seed DEEP within her belly. She now had huge breasts, triple F's at least with a belly that looked like she had come to term with triplets. The rest of her appeared to have grown to support her chest and pregnant shaped belly. Then it hit her. Pregnant. She was PREGNANT from the creature. This adult's only sci-fi fantasy erotica contains BDSM, dubcon, monster sex, tentacle breeding, bondage, dp and paranormal impregnation and is intended for audiences 18 years of age.

Tentacle Monster In The Woods Mons Erony, 2021-10-04

It's not the first time Arian has gone camping out in the woods but there's something different about the silence around her. The park rangers had reacted in a peculiar manner when she told them that she plans to stay here for the entire week. She's aware of the urban legends around these parts. The stories go that people who come in here do not emerge at all but she dismisses them as just that. Stories. Arian is used to the feeling of being watched when she's out in the woods all on her own. Time and experience have reassured her over that it's just paranoia and she will embrace the newfound peace about her. She learns soon enough that there is nothing peaceful in the shadows of the woods. There is a creature here that means to claim her in every way imaginable. PG Excerpt At first she thinks it's just another noise that has shaken her awake. It won't be the first time she's woken up in the middle of the woods because some curious creature had snuck up to her tent in the middle of the night. Except this creature has somehow managed to unzip her tent and wrap its hand around her ankle, slowly pulling her

out It must have realized that she had startled awake when she makes a loud noise of distress kicking out in panic The world is suddenly upside down She manages a shocked yelp as the ground rushes away from her and she s yanked up by her leg the blackness of night swallowing her vision Fear pulses in her veins and it is more than a little disorienting when she is held upside down by her assailant It must be a bear No other creature would be big enough to lift her like this so easily Blood rushes to her head in her position and it takes a moment for her vision to clear up well enough that she can see where she is but seeing doesn t make things any easier If anything she is even more confused by what exactly she s being held up by At first she thinks it s just a mess of shadows a trick of the light making the creature look like it has more limbs than anatomically possible but that s just her brain trying to make sense of the monster she s seeing **Slenderman's**

Excerpt She felt something on her ankle slithering slowly over her pants leg She started kicking at it with her boot assuming it was a snake But when she sat up the slender green thing that was attempting to crawl up her leg was much too long to be a snake in fact its tail stretched back up the tree and joined the mysterious vine It was the vine Elizabeth tried to scoot away but the vine was faster quickly wrapping its way around her ankle and holding her in place This

part of the vine wasn't as thick as what wrapped around the tree but it was strong and she couldn't kick it away. She looked around for her bag but it was out of reach lying near the base of the tree so going for her knife wasn't an option. Another thin vine slinked along the grass towards her slowly entwining her other foot. Elizabeth sat up attacking the vine with her jagged engrossed fingernails. Her scratches did nothing to scare away this strange plant. She laid back down in disbelief. What was she supposed to do? Even in her panic she wasn't that scared; the only emotion that flowed through her body was the intense wanting. Her masturbation could not satisfy. Before she could react she felt a light tickle on each of her wrists and then her arms were yanked over her head by two other vines that appeared from the other direction of the forest. Elizabeth snapped her head around looking for any more of these strange vines.

TAKEN BY TENTACLES WHILE MY BOYFRIEND SLEPT CJ Smalls, 2020-05-05 I'd already gone one round with my boyfriend and the pleasant afterglow of my orgasm hadn't even faded completely before the tentacles arrived pushing into my mouth and my pussy without warning. It was impossible and as they took me and moved within me in ways no human penis could I was swept away until they lifted me up and suddenly went after my untouched ass. First anal sex was scary enough but with a monster. It wasn't like I had a choice. I couldn't cry out for help not with a tentacle pushing into my throat and the other tentacles bound my body securely. All I could do was take whatever the tentacles gave me including an intense and incomprehensible double penetration.
