

GRADING THE 44th PRESIDENT

A Report Card on Barack Obama's
First Term as a Progressive Leader

Luigi Esposito and Laura L. Finley, Editors

Foreword by Leonard Pitts

The Barack Obama Report

Bepty Antoine

The Barack Obama Report:

The Barack Obama Presidency J. Davis, 2011-11-07 Exploring the promise and peril associated with the opening two years of the presidency of Barack Obama this book is a comparative look at the various aspects of his presidential strategy including the impact of his legislative agenda his use of executive power and the burgeoning disillusionment within the African American community *Historical Dictionary of the Barack Obama Administration* Michael J. Pomante II, Scot Schraufnagel, 2018-04-06 Barack Obama the first African American president of the United States In a country with a rich history of racial animosities Obama represents a notable deviation in the trajectory of America's presidential history At the close of his second term in office a survey of the personalities and events associated with his presidency is fitting In this walk through recent history we will be keen to point out the president's successes failures and challenges Governing in a society ripe with ideological and partisan polarization the Obama Administration was surrounded by controversy much of it manufactured by his opponents but salient nonetheless This volume will attempt to provide perspective and clarity on the most important individuals and experiences connected to Obama during his eight years in office but also his early life Information included in this volume also includes discussion of his transition out of office and events taking place at the beginning of the Donald Trump Administration This second edition of *Historical Dictionary of the Barack Obama Administration* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities including the president his advisors his family his opponents and his critics as well as members of Congress military leaders and international leaders This book is an excellent resource for students researchers and anyone wanting to know more about Barack Obama

The Teleological Discourse of Barack Obama Richard W. Leeman, 2012-05-11 The Teleological Discourse of Barack Obama by Richard Leeman provides an in depth analysis of President Barack Obama's speeches and writings to explain the power of the 44th president's speaking This book argues that from his earliest writings through his latest presidential speeches Obama has described the world through a teleological lens Teleology is the philosophy of discovering in the essential nature of humans or countries the telos or ideal towards which one should progress Obama consistently portrays freedom and equality as essential to human nature and the American spirit Understanding his discourse as teleological helps explain the inspirational and philosophical nature of his rhetoric as well as his famous patience perceiving progress where others become frustrated Teleological discourse is ancient with its roots in philosophies such as Aristotle's *Nicomachean Ethics* and Christian theology and its handprints evident in Lincoln's Gettysburg Address In order to discover the roots of Obama's teleological perspective Leeman also examines the speeches of presidents Franklin Roosevelt John F Kennedy and Ronald Reagan as well as the civil rights discourse of Martin Luther King Jr Frederick Douglass and W E B Du Bois Although the roots of his teleological discourse run deep President Obama's particular use of the philosophy is very modern The Teleological Discourse of Barack

Obama is an essential contribution to the study of American politics and political rhetoric Watch the author discuss the book here *Barack Obama and the Myth of a Post-Racial America* Mark Ledwidge, Kevern Verney, Inderjeet Parmar, 2013-10-08 The 2008 presidential election was celebrated around the world as a seminal moment in U S political and racial history White liberals and other progressives framed the election through the prism of change while previously acknowledged demographic changes were hastily heralded as the dawn of a post racial America However by 2011 much of the post election idealism had dissipated in the wake of an on going economic and financial crisis escalating wars in Afghanistan and Libya and the rise of the right wing Tea Party movement By placing Obama in the historical context of U S race relations this volume interrogates the idealized and progressive view of American society advanced by much of the mainstream literature on Obama Barack Obama and the Myth of a Post Racial America takes a careful look at the historical cultural and political dimensions of race in the United States using an interdisciplinary analysis that incorporates approaches from history political science and sociology Each chapter addresses controversial issues such as whether Obama can be considered an African American president whether his presidency actually delivered the kind of deep rooted changes that were initially prophesised and whether Obama has abandoned his core African American constituency in favour of projecting a race neutral approach designed to maintain centrist support Through cutting edge critically informed and cross disciplinary analyses this collection directly addresses the dimensions of race in American society through the lens of Obama s election and presidency **The Economic Report of the President 2010** The President of the United States, Council of Economic Advisers, 2010-01-01 The report elegantly reframes much of Mr Obama s domestic agenda as microeconomic nudges in the direction of this overall macroeconomic rebalancing The Economist Barack Obama took the Oval Office amidst an economic downturn deeper and more painful than any the United States has known in generations How will the President direct the rescuing and rebuilding of the U S economy in the wake of the Great Recession What are the long term fiscal challenges the U S faces How can we reform health care without breaking the bank What precautions can we take to prevent another similar collapse from occurring again in the future Each year the Chair of the Council of Economic Advisers prepares a report presenting the Administration s domestic and international economic policies The 2010 edition may be the most important such report in recent decades as it lays out the blueprint for recovery that will impact all Americans regardless of economic status It is essential reading for anyone who wishes to understand the ongoing financial crisis and its potential solutions

The Scandalous Presidency of Barack Obama Matt Margolis, 2018-04-03 I m proud of the fact that we re probably the first administration in modern history that hasn t had a major scandal in the White House So President Barack Obama boldly declared before leaving office and numerous times since But is it true Not according to Matt Margolis bestselling co author of *The Worst President in History* The Legacy of Barack Obama Margolis lays out the details of literally dozens of Obama administration scandals that have been ignored downplayed or covered up by the mainstream media From Fast and Furious

to the illegal IRS targeting of conservative groups to the recent NSA spying outrage Margolis makes a powerful case that the Obama years represented nearly a decade of lawless and abusive governance While Obama and his allies attempt to spin the narrative that his presidency represented a time of pristine politics it s critically important that Americans understand the truth Barack Obama brought to Washington corrupt Chicago machine politics of cronyism and corporate payoffs combined with audacious Alinskyite tactics aimed at dividing Americans and destroying his opponents Obama s legacy will be discussed and debated for decades But in the early months after he left office more scandals have been uncovered most notably an illegal scheme of using the NSA to spy on his political opponents and the frightening decision to block the prosecution of Iranian backed terrorists Far from being a virtuous New Camelot the Obama administration abused its power like few others

Assessing Barack Obama's Africa Policy Abdul Karim Bangura,2014-12-16 This book contains critical analyses of President Barack Obama s foreign policy instruments toward Africa and suggests how to continue strengthen and modify these policy instruments The examination begins with the theme of policy continuity and change followed by those on military intervention competition and perceived threats crisis management politics economic development and social policy Each chapter starts with an introduction of the policy instrument provides an analysis of the instrument and concludes with suggestions This book presents the objectives for vibrant and lasting relations between Africa and the United States and the concrete measures to achieve them The Mueller Report: The Report of the Special Counsel on the Investigation into Russian Interference in the 2016 Presidential Election Special Counsel's Office, U.S. Department of Justice,2019-04-18 On May 17 2017 Robert S Mueller III was appointed by acting Attorney General Rod J Rosenstein to serve as Special Counsel by Order 3915 2017 The Special Counsel investigation of 2017 to 2019 also referred to as the Mueller probe Mueller investigation and Russia investigation was a United States counterintelligence investigation of the Russian government s efforts to interfere in the 2016 presidential election According to its authorizing document the investigation s scope included allegations that there were links or coordination between Donald Trump s presidential campaign and the Russian government as well as any matters that arose or may arise directly from the investigation It included a criminal investigation which looked into potential obstruction of justice charges against Trump and others within the campaign and administration Conducted by the Department of Justice Special Counsel s Office headed by Robert Mueller a Republican and former Director of the Federal Bureau of Investigation FBI the Special Counsel investigation began eight days after President Trump dismissed FBI director James Comey who had been leading existing FBI investigations since July 2016 into links between Trump associates and Russian officials Report on the Activities of the Committee on Banking, Housing, and Urban Affairs of the United States Senate During the ... Congress Pursuant to Rule XXVI of the Standing Rules of the United States Senate United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs,2013 **John F. Kennedy, Barack Obama, and the Politics of Ethnic Incorporation and Avoidance** Robert C. Smith,2013-03-01 Fascinating look at the

challenges faced by John F Kennedy and Barack Obama in their quests to win the presidency **Economic Report of the President Transmitted to the Congress** United States. President,2019 Appendix B contains historical tables from 1959 or earlier on aspects of income national personal and corporate production prices employment investment taxes and transfers and money and finance **The War Report** Stuart Casey-Maslen,2014 This work identifies describes and discusses all situations of armed violence in 2013 that amounted to armed conflicts in accordance with the definitions recognized under international humanitarian law IHL and international criminal law ICL Economic Report of the President United States. President,2019 The Economic Report of the President provides valuable information about the present state of the U S economy and its future course The Economic Report is issued by the Executive Office of the President and the Council of Economic Advisers and transmitted to Congress no later than 10 days after the submission of the Budget of the United States Government For more than 70 years the Economic Report has provided a nearly contemporaneous record of how administrations have interpreted economic developments the motivation for policy actions and the results of those interventions Included in the Economic Report of the President is the Annual Report of the Council of Economic Advisers Each year the Council of Economic Advisers submits this report on its activities during the previous calendar year in accordance with the requirements of the Congress as set forth in section 10 d of the Employment Act of 1946 as amended by the Full Employment and Balanced Growth Act of 1978 Amazon com *The Mueller Report* Robert S. Mueller,2019-04-26 The full report as released on April 18 2019 by the U S Department of Justice without analysis or commentary and with nothing subtracted except for redactions by the Department of Justice *The Economic Policies of the 2009-2015 Obama Administration. An Assessment* Ädris Osmani,2017-08-01 Seminar paper from the year 2016 in the subject Politics Region USA grade 2 3 Manchester Metropolitan University Business School course America Business and Culture language English abstract The focus of my report is Obama s policy in the period between 2009 and 2015 and the End of his second and last inauguration as a President in 2016 The contents of this report are the credit crunch the two Presidential terms the fiscal cliff in 2013 government shutdown in 2013 mid term elections in 2014 and economic progress until 2015 This essay shall take a bird eye view of the various policies which were undertaken by Obama during and before his time as the president It includes how Obama dragged the country through the economic downfall and made the necessary advancements in the health sector with Obama health care program Later part of the essay considers the automotive industry of United States and presents a detailed exegesis of US s very own Ford motors *Economic Report of the President January 2017 Together with the Annual Report of the Council of Economic Advisers* Executive Office of the President, Council of Economic Advisers,2016-12-27 Do you remember President Barack Obama s economic priorities during his presidency The Economic Report of the President is an annual report written by the Chair of the Council of Economic Advisers An important vehicle for presenting the Administration s domestic and international economic policies it provides an overview of the nation s

economic progress with text and extensive data appendices This volume pertains to President Barack Obama administration and reviews the efforts of the Obama Administration to ensure economic growth among all American families This authoritative resource covers highlights from the eight years of President Barack Obama and his administration s service to the United States of America American citizens economists political scientists fiscal forecasters policymakers market research analysts financial analysts policy analysts management consultants financial and business reporters may be interested in this volume High school teachers may be able to use this report for teaching activity based lessons to high school students as a way to make economics relevant to current events economic growth and the role of Government with impact on the fiscal and monetary policy Undergraduate and graduate students pursuing coursework for economic majors may find this volume useful for research in Economics History History of Economic Thought and Economics of Government Regulations classes while political science students may find this volume useful for research in Public Fiscal Policy and Political Economics classes Check out our Economic Policy resources collection here <https://bookstore.gpo.gov/catalog/budget-economy/economic-policy> U S Federal Budgets available by year are available here <https://bookstore.gpo.gov/catalog/budget-economy/federal-budgets/year> Other publications relating to President Barack Obama presidency can be found here <https://bookstore.gpo.gov/catalog/us-military-history/presidential-history/44-barack-obama>

2014: The Year of Action Bepty Antoine, 2018-05-24 2014 The Year of Action By Bepty Antoine 2014 The Year of Action is a broad ranging compendium of the events conflicts and progress recently seen throughout the world Written from the perspective of an immigrant with a particular heart for the poor this unique tome focuses on the influential work of two world leaders United States President Barack Obama and Pope Francis Bepty Antoine utilizes historical and cultural knowledge to frame events within a larger context presenting the actions both men have taken to further social justice issues often connecting these concerns to environmental crises Drawing on the tenants of their Christian faith both the President and the Pope have sought to defend immigrants refugees and the global poor and their efforts often in the face of extreme opposition are carefully detailed and celebrated 2014 The Year of Action focuses on the impressive achievements of two modern heroes and places their struggles for progress within the wider context of current events and popular culture [The Joint Economic Report](#) United States. Congress. Joint Economic Committee, 2010

National Security, Leaks and Freedom of the Press Lee C. Bollinger, Geoffrey R. Stone, 2021 Written by a group of the nation s leading constitutional scholars a deeply informed thoughtful and often surprising examination of who has First Amendment rights to disclose to obtain or to publish classified information relating to the national security of the United States One of the most vexing and perennial questions facing any democracy is how to balance the government s legitimate need to conduct its operations especially those related to protecting the national security in secret with the public s right and responsibility to know what its government is doing There is no easy answer to this issue and different nations embrace different solutions In the United States at the

constitutional level the answer begins exactly half a century ago with the Supreme Court's landmark 1971 decision in the Pentagon Papers case. The final decision though left many important questions unresolved. Moreover the issue of leaks and secrecy has cropped up repeatedly since most recently in the Edward Snowden and Chelsea Manning cases. In *National Security Leaks and Freedom of the Press* two of America's leading First Amendment scholars Lee C. Bollinger and Geoffrey R. Stone have gathered a group of the nation's leading constitutional scholars including John Brennan, Eric Holder, Cass R. Sunstein and Michael Morell among many others to delve into important dimensions of the current system to explain how we should think about them and to offer as many solutions as possible.

American Politics and the African American Quest for Universal Freedom Hanes Walton, Jr., Robert C. Smith, Sherri L. Wallace, 2017-03-30

This dynamic and comprehensive text from nationally renowned scholars continues to demonstrate the profound influence African Americans have had and continue to have on American politics. Through the use of two interrelated themes, the idea of universal freedom and the concept of minority-majority coalitions, the text demonstrates how the presence of Africans in the United States affected the founding of the Republic and its political institutions and processes. The authors show that through the quest for their own freedom in the United States, African Americans have universalized and expanded the freedoms of all Americans.

New to the Eighth Edition: A new co-author, Sherri L. Wallace, is renowned for her teaching scholarship and participation in APSA's American government textbook assessment for coverage of race, ethnicity, and gender. She is the perfect addition following an election year that included female presidential candidates as well as candidates of color and issues focusing on racial tension and inequality. Offers a new Media Integration Guide for the first time. Provides the first overall assessment of the Obama administration in relation to domestic and foreign policy and racial politics in particular. Updated through the 2016 elections, connecting the Obama years with the new administration. Looks at candidates Hillary Clinton and Ben Carson in particular in relation to the themes of the book. Adds a new section on State Politics and Elections. Includes new sections on intersectionality dealing with issues of race, gender, and sexuality. LGBT issues as another manifestation of the struggle for universal freedom. A discussion of the Black Lives Matter movement and a new section focusing on the changing character of black ethnicity as a result of increased immigration from Africa and the Caribbean. Discusses the way in which race contributed to the polarization of American politics, the connections to the Tea Party and the Obama Presidency, and the 2016 presidential campaign as the most polarized since the advent of polling. Previews the impact of the Trump Administration on matters of race and ethnicity.

Thank you definitely much for downloading **The Barack Obama Report**. Maybe you have knowledge that, people have look numerous time for their favorite books considering this The Barack Obama Report, but stop occurring in harmful downloads.

Rather than enjoying a good book past a mug of coffee in the afternoon, otherwise they juggled taking into account some harmful virus inside their computer. **The Barack Obama Report** is nearby in our digital library an online access to it is set as public suitably you can download it instantly.
