ptsd The Target Lexy Timms, 2023-09-23 When you seek revenge be sure to dig two graves Revenge was the only thing I
had going for me It kept me awake at night and drove me into desperate situations in dive bars across the world I was
looking for someone for the enemy who was responsible for killing my fianc He was a covert operative who worked for the
British government someone hiding behind the trappings of respectability Or so I thought I dropped a hint where he could
find me going through channels I knew he would be monitoring And when he walked into the bar he stuck out like a sore
thumb Tall and well built he could barely hide his magnificent physique beneath the stuffy three piece suit I had him pegged
as MI6 from the moment he sat down But when he zeroed in on me and the time came to strike something stopped me Maybe
it was the way his body felt so close to mine Maybe it was the kindness in his eyes that stirred doubt about his guilt All I
know is that I couldn t kill him and that might just have been the biggest mistake of my life The Rogue Agent Series The

bilionaire romance dark romance romantic comedy saga women s saga **The Art of Falling** Lexy Timms, Falling in love is
a wonderfully terrifying sensation I couldn t believe it My very first book was being turned into a movie and my boyfriend was
cast in a leading role We packed up for a month of filming in Italy where I was looking forward to long walks in the
countryside and stolen kisses under the moonlight The problem was that I didn t want anyone to think that Jace had gotten
the part because of me He was talented in his own right and if everyone knew we were an item they would think he was
sleeping his way to the top Did I mention that he used to be an escort We decided that the best course of action was to keep
our relationship on the down low How hard could it be to keep our hands off each other for a month We had plenty of work to
distract ourselves From overbearing costars to constant rewrites we barely had time to sneak off and enjoy the fruits of our
labor As the days passed we became less and less concerned about what other people might think Until finally someone
caught us and left us in a bind Would Jace have to give up his spot and the chance at a Hollywood career to save my
reputation Would I let him do that or would I fall on the sword of my own ruined ambition and come clean Escort Romance
