Ryder, 2014-08-19 Aaron s always had a thing for the billionaire twin bosses who run his company but it s not until one night when he finds himself alone at the office with the rugged Morgan and stern Kellen that he has a chance to act on those feelings But the twin brothers have other plans They re used to getting what they want and Aaron quickly discovers that this time he s the prize It looks like he ll be tied up at the office for quite some time Tell me are you at the office late very often he asked unexpectedly just as his brother re entered the room Kellen was carrying a large rectangular case with a red cross stamped on the front He set it on the conference table as he took a seat on the other side of me without a word Yeah I guess so I I don t mind it so much I stuttered still squirming under his gaze suddenly unsure where this conversation was taking us I like my job and there s a lot to get done so it really isn t a problem It was difficult to concentrate like that flanked by my two bosses both of whom had by now shown obvious interest in me I glanced back and forth between them Kellen s face was impassive with only a slight glint in his eye reflecting his interest in the proceedings Morgan still wore the broad friendly grin but his gaze now traveled across my body looking me up and down in hungry appraisal My heart beat faster and I shifted in my seat That s good to hear My brother and I stay late often as well Kellen

nodded at me with a smile It s nice to have someone to keep us company when no one else is around We re all alone you know Everyone else has gone home Morgan murmured My stomach did a flip as my cock responded immediately to his words I had never in my wildest dreams imagined having both of them at once make a move on me Well maybe once or twice It s not so bad I said leaning back in my seat a bit and flashing my best smile You re both good company So you wouldn t be opposed to getting to know us a little better It was Kellen s turn to smile I noticed he had flipped open the first aid kit and was idly rummaging through it I couldn t say no to that Not even if we were a little rough Kellen held up a roll of medical tape his lips curling into a wicked grin I stared at it uncomprehending for a moment Strong calloused hands suddenly seized me from behind and before I had a chance to struggle I was hoisted onto the table Instinct took hold of me and I began to struggle but even though I was in great shape the men holding me down were stronger by leagues The hands grabbed my wrists pulling them together behind my back and holding me firmly I heard an amused chuckle rising from behind me followed by a the distinctive rrip of tape I froze at the sound I was scared but the fear was tinged with an undeniable strain of longing After all I had always dreamed of being dominated
