

THE BIRD- WATCHER'S DICTIONARY

**BY PETER
WEAVER**

The Birdwatcher S Dictionary Peter Weaver

Clemens Wendtner

The Birdwatcher S Dictionary Peter Weaver:

The Birdwatcher's Dictionary Peter Weaver,2010-11-30 The author defines more than 1100 words and terms in this illustrated dictionary for the birdwatcher Its attraction for the relative novice is obvious but it is equally directed to experienced birdwatchers who will find succinct definitions of terms that are new to them and of others that they have understood none too well Among the appendices is a full list of species on the British and Irish List arranged in Voous Order and with categories of status in Britain and Ireland Whatever the user s ornithological expertise the book will expand or confirm his or her knowledge and offer at the same time an absorbing and entertaining browse as a good dictionary should

Cuckoos, Cowbirds and Other Cheats Nick Davies,2010-09-30 This fascinating study describes the natural histories of these brood parasites and examines many of the exciting questions they raise about the evolution of cheating and the arms race between parasites and their prey Brood parasites fill their armoury with adaptations including exquisite egg mimicry rapid laying ejection of host eggs murder of host young chick mimicry and manipulative begging behaviour ploys shown by recent research to have evolved in response to host defence behaviour or through competition among the parasites themselves While many host species appear defenceless accepting parasite eggs quite unlike their own many are more discriminating against odd looking eggs and some have evolved the ability to discriminate against odd looking chicks as well How is this arms race conducted Will defenceless hosts develop defences in time or are there constraints which limit the evolution and perfection of host defences And why are so few species obliged only to lay eggs in host nests Have host defences limited the success of brood parasitism or is it in fact much more common than we suspect but occurring mainly when birds parasitize the nest of their own kind All of these puzzles are examined in descriptions of the natural history of each of the groups of parasites in turn Here is a book with wide appeal both to amateur naturalists fascinated by this most singular and macabre of behaviours and by ornithologists and ecologists interested in the evolution of ecology and behaviour The story takes us from the classic field work by pioneer ornithologists such as Edgar Chance Stuart Baker Herbert Friedmann and others through to the experimental field work and molecular techniques of today s leading scientists We visit brood parasites in Europe Asia Japan Africa Australasia and North and South America to look at some of the world s most interesting birds and some of biology s most interesting questions many of which still beg answers from ornithologists in the future Brilliant illustrations by David Quinn illuminate the species discussed showing many behaviours never before illustrated and conveying the thrill of watching these astonishing birds in the wild **Natural History Book Reviews** ,1981

British Birds ,1981 *New Scientist* ,1982-04 *Reference Sources in Science, Engineering, Medicine, and Agriculture* Harold Robert Malinowsky,1994-06-21 Thoughtfully compiled current and reasonably priced Recommended as a one stop shopping source Library Journal This work is an essential purchase for libraries with collections in the four designated areas ARBA Both print and nonprint sci tech information sources can be quickly located and their uses evaluated with this new

resource the only sourcebook to cover all four major branches of science More than 2 400 entries of complete bibliographic information are accompanied by a brief description of each work Every source is indexed by author subject and title Special chapters cover how technology is changing the way scientists communicate and how to build a viable collection in specific disciplines **Irish Birds** ,1984 The Countryman John William Robertson Scott,1982 **Scottish Birds** ,1983

Books in Print ,1994 *Best Science and Technology Reference Books for Young People* Harold Robert Malinowsky,1991 Guide lists reference books in physical applied and natural sciences and technology for readers from elementary school age to young adults Includes prices where reviewed annotations and subject terms **Waders: their Breeding, Haunts and Watchers** Desmond Nethersole-Thompson,Maimie Nethersole-Thompson,2010-11-30 A comprehensive monograph on waders All of the Nethersole Thompson family contribute in some measure to this book but it is Dr Desmond Nethersole Thompson s life long interest in waders which gives the work its exceptional quality and authority For well over fifty years the study of waders and their behaviour has been his passion and his great knowledge and experience are internationally recognised There is a bonus too for the reader in the particular freshness and style of his writing which conveys not only his closely observed patient study but also the joy and satisfaction he has known in watching such intriguing and beautiful birds mainly in their Scottish habitats The core of the book is the comprehensive accounts of the biology and behaviour of 18 species of waders in their breeding haunts In addition there are chapters on waders generally wader spacing and dispersion the wader watchers of past and recent times and two final chapters on new or returning waders and those pipe dream species that not too fancifully may yet breed one day in these islands Voice is one of the headings within the species accounts but there is also an appendix of sonagrams of wader songs and calls there are tables of data and an extensive selected bibliography Donald Watson has provided more than a hundred drawings to complement and embellish the text and there are 32 photographs Jacket paintings are also by Donald Watson *Country Life* ,1985 Birding ,1982 **Scientific and Technical Books and Serials in Print** ,1984 *The British Library General Catalogue of Printed Books 1976 to 1982* British Library,1983 **Book Review Index** ,1985 Every 3rd issue is a quarterly cumulation **British Book News** British Council,1982 Includes no 53a British wartime books for young people *Children's Books in Print* R R Bowker Publishing,Bowker,1999-12 Iowa Bird Life ,1981
