When He Defends Cynthia Eden, 2025-09-23 He didn't want a new partner especially not her FBI Agent Gray Stone knows killers As a top profiler at the Bureau monsters are truly his business So he absolutely does not need to be paired up with the infuriating and gorgeous Dr Emerson Marlowe But her mother is a senator with far too much power and all of a sudden Gray finds himself on training duty a duty that includes way too many hours and way too much temptingly close contact with Emerson He doesn't play well with others In fact he doesn't play at all What's he supposed to do with a sexy shadow One who is just as good at mind games as he is One who is smart and funny and dammit Emerson has practically no field experience and the last thing Gray wants to do is put her in harm's way He may not want to work with Emerson but he will not let anyone hurt her So when a new case goes sideways and a killer gets chillingly close Gray has to come up with a new training plan New rules She follows his orders She does exactly what he says And she does not get in the way Except Emerson can't follow orders to save her life She does whatever she wants and the woman is one hundred percent in his way In his way In his mind In his dreams And maybe just maybe the

infuriating Emerson is even working her sneaky way into his heart But danger is growing around her danger that doesn't seem to just be coming from their work at the FBI A stalker has eyes on Emerson a predator who is well acquainted with darkness and pain A perp who wants Emerson to suffer To protect his new partner Gray will have to let his own darkness come out to hunt No one turns Gray's partner into prey No one terrifies Emerson No one hurts her Ever Gray stops playing the good guy and he goes all in on protecting her Protecting and defending that's his way of life but this time the defense is personal Emerson is his uh his partner of course and hell maybe a whole lot more Gray has always kept his inner darkness on a tight leash but when Emerson is threatened his control shatters He will claim her he will protect her and he will put the perp who threatens her in the ground Author's note Grayson Gray Stone has spent far too many years playing mind games with other people This time he's the one who will see his life spiral out of control as he falls hard for a partner he never expected Forced proximity danger desire opposites fiercely attracting oh get ready for all the fun things Did I mention the steam Because there is plenty of it in this romance
