ethics can help us understand what is at play in Saunders's fiction. Meanwhile his texts can help us understand what is at stake in posthumanist ethics. This interdisciplinary project may be beneficial both to conceiving new notions of ethics that are more inclusive and more implicitly to understanding the relevance of Saunders's fiction to the current American sociocultural climate. *Your Story* Joanne Fedler, 2017-07-25

We either think our lives are so special that everyone should be interested in what's happened to us or so ordinary that we can't imagine anyone would care. The truth lies somewhere in between: yes, we are all special and no one will not care unless we write with them in mind. Joanne Fedler, a beloved writing teacher and mentor, has written *Your Story* to help all people, even those who don't necessarily identify as writers, value their life stories and write them in such a way that they transcend the personal and speak into a universal story. She shows how to write from your life but for the benefit of others. Filled with practical wisdom and tools, this book tackles mind-set issues that prevent us from writing ways to develop trust in yourself, the process, the mystery, triggers or prompts to elicit our own stories. Joanne's original techniques for lifewriting developed over a decade of teaching and mentoring, and much more. Joanne understands the writer's loneliness, says one such writer whose life she's touched, the award-winning author Nava Semel. In this book, she has created a menu of encouraging possibilities on how to overcome our fears and dig deep into our souls so that our true voice can emerge.

Dedicated to the People of Darfur Luke Reynolds, Jennifer Reynolds, 2009-09-11 Life's changes. They happen every day. Some large, some small. A few are very personal. Others impact the world. *Dedicated to the People of Darfur: Writings on Fear, Risk, and Hope* includes original and inspiring essays that celebrate the glories gained from taking risks, breaking down barriers and overcoming any obstacles. Nobel and Pulitzer Prize winners, a gallery of O. Henry award recipients, and many best-selling authors come together to share personal and compelling challenges and experiences. From contemplations on past drug use to reflections on gun control, social justice, passion and its sacrifices, and adventures such as skydiving, mountain climbing, and golfing, the topics vary greatly. This kaleidoscopic anthology is a commentary on the lives of prominent literary artists and ordinary citizens who have made simple yet powerful choices that provoked change in one's self and for humanity much the same way that Luke and Jennifer Reynolds do by building this invaluable collection for readers and the world of human rights. Not too long ago, as struggling graduate students, Luke and Jennifer Reynolds conceived this uniquely themed volume as a way to raise funds to support ending the genocide in Darfur. Some people carry signs, others make speeches, many take action. What is most special about this book is that it extends beyond words and ideas into a tangible effort to effect change. To this end, all royalties from the sales of *Dedicated to the People of Darfur: Writings on Fear, Risk, and Hope* will benefit The Save Darfur Coalition, an organization that seeks to end the genocide in Darfur, Sudan.
