The Brightwood Stillness Mark Pomeroy, 2014 When Hieu Nguyen a Portland high school teacher is accused of sexual misconduct by two of his students his close friend and colleague Nate Davis tries to lend support But Nate has recently been assaulted by a former student in the school parking lot an event that brings on not only sharp anxiety but a final push into a long deferred quest to find out what happened to his uncle a drifter and a Vietnam veteran Meanwhile Hieu's family life is tested Straining to hold form amid a police investigation into what happened in his classroom Hieu seeks enough solitude to piece together the story of how he fled war and arrived in the US how he came to be a father to three children in a bewildering beloved new land and how he'll cope with a now uncertain future As their stories unfold in parallel Hieu and Nate must confront the ways in which their pasts each so linked to a mysterious far off country have left them isolated men With its vivid look at friendship and the challenges of cross cultural communication its poignant take on the legacy of Vietnam and its Pacific Northwest setting *The Brightwood Stillness* will remind readers of the best elements of *A Good Scent From a Strange Mountain* and *Snow Falling on Cedars* while compelling them through a maze of love betrayal and finally redemption

Brightwood R. T. Smith, 2004 Written in the gothic tradition of James Dickey's *Buckdancer's Choice* R T Smith's *Brightwood* contains 38 poems set in the American South This intellectual and emotionally powerful collection is an interplay of southern music religion and culture with nature

Reminiscences of Thirty-five Years of My Life Joseph Archer Crowe, 1895

The Call of the Rift: Flight Jae Waller, 2019-10-08 Now in paperback An intricately lush and well crafted new fantasy that deserves and demands a sequel Kirkus Reviews starred review A mature choice for those who love high fantasy and magical realism School Library Journal A rebellious heroine faces a colonial world coming unstitched in Jae Waller's stunning debut fantasy Waller's world building is impressive While the magical and romantic elements of Waller's story are most likely to hook teen readers it's the commentary on colonized cultures that really sets this novel apart from other YA fantasy tales Quill Quire Seventeen year old Kateiko doesn't want to be Rin anymore not if it means sacrificing lives to protect the dead Her only way out is to join another tribe a one way trek through the coastal rainforest Killing a colonial soldier in the woods isn't part of the plan Neither is spending the winter with Tiernan an immigrant who keeps a sword with his carpentry tools His log cabin leaks and his stories about other worlds raise more questions than they answer Then the air spirit Suriel long thought dormant resurrects a war For Kateiko protecting other tribes in her confederacy is atonement For Tiernan war is a return to the military life he's desperate to forget Leaving Tiernan means losing the one man Kateiko trusts Staying with him means abandoning colonists to a death sentence In a region tainted by prejudice and on the brink of civil war she has to decide what's worth dying or killing for
