The Building Blocks of a Strong Marriage Kimberly Renee Player, Timothy Mark Player, 2015-01-31 Tim and I have an extremely strong marriage We have been through so much and yet our love for each other continues to grow Our prayer is that what has worked to build a strong marriage for us will work for you too All too often people say If only my husband wife will change But in fact it isn't change that will necessarily make a marriage better it is working together This book will guide you and your spouse in how to work together in your marriage *The Building Blocks to a Strong Marriage* Viola T. Miller, 2009-05 For Singles Only Are you considering marriage Do you want to choose the right mate Do you want a marriage that will last Read this book first For Husbands Only Does your wife seem to be cold and unresponsive to you Do you wish there was some way you could bring life back into your marriage Is your wife too critical Do you wish she was more supportive For Wives Only Does it seem that the only thing your husband thinks about is sex Or do you wish you could get your husband interested in sex Do you get sick and tired of him watching TV and never talking to you Are you about fed up with marriage Wait Don't give up yet There is help between the covers of this book Marriage was not intended for detachment or to be boring and unfulfilling When God made us He was well aware of how we were constructed Ample provision was made for meeting all our needs which included our sexual needs This was to be done within the confines of a loving committed relationship marriage The contents of this book span from contemplating marriage to menopause and mid life crisis pausing as it tunnels through such issues as choosing the right mate preserving the honeymoon spousal abuse conflict resolution and divorce proofing your marriage There are special sections which speak to and speak for husbands and wives on most concerns one might face and would like an effective tactful way to communicate them When both partners share the information in this book and take it to heart both can experience a joyful renewal in the relationship or build one that will last Enjoy About the Author Since 2005 Viola has published two other books Check Yourself which is a collection of inspirational poetry and Making the Right Choices which is a collection of evangelistic drama for youth Her mission in life is to impact her world for eternity through sharing the Word of God She believes that poetry is a means of capturing the attention of many because it is easy reading and it is viewed by many to be an expression of beauty therefore it paves the way for presenting truths that may otherwise be rejected Viola T Miller and her husband Billy reside in their hometown of Luxora Arkansas which has a population of about 1 300 and is located in north eastern Arkansas Both are retired schoolteachers and are parents of two sons Billy Jr and Adrian **10 Building Blocks for a Solid Family** Jim Burns, 2010-08-23 This honest and enlightening book from one Christian parent to another is filled with encouragement and time tested techniques for anyone who wants to ensure the health and happiness of their own family Jim Burns will be the first to tell you that no family is perfect including his own and in 10 Building Blocks for a Strong Family he emphasizes the heartening news that most parents do a good job of parenting but just don't know it Here parents will find personal stories from interviews with parents

and experts on family relationships covering almost every aspect of parenting from helping children deal with stress to learning to play together as a family When readers learn the ten essential principles for creating a strong close knit household they ll discover a family that shines with love for God and one another Guide to a Successful Marriage: The Only Manual You'll Ever Need Janet Esi Afenyo,2020-03-13 The Only Guide You Will Ever Need For Your Marriage and Relationship **The Good Marriage: How and Why Love Lasts** Judith Wallerstein,2019-08-09 When it first appeared in 1995 The Good Marriage became a best seller It offers timeless clues to the secret of happy long lasting marriages Based on a groundbreaking study of fifty couples who consider themselves happily married psychologist Judith Wallerstein presents the four basic types of marriage romantic rescue companionate and traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart But they also convey an inspirational message for almost all of them feel that their marriage is their single greatest accomplishment The Good Marriage explains why and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives Should be required reading for all who are interested in marriage W Walter Menninger Should prove a lifesaver for many couples Publishers Weekly Will enrich the sparse literature on happy marriages USA Today One of the nice things about The Good Marriage is its modesty It doesn t pretend to offer a philosophy or even a lecture on marriage It takes no position on the ideologically charged issues of women s marital roles and status Equally important it ignores the two most common ways of talking about marriage as a contract negotiated between two equal parties and as the pathway to individual fulfillment For this reason it is refreshingly free of rights talk and therapy talk Indeed Wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills Barbara Dafoe Whitehead The Atlantic A lagniappe to enduring couplehood The strength of this study is that Ms Wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail Susan Jacoby The New York Times Book Review Written in a masterful style that often reads like the best popular fiction Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages Tara Aronson San Francisco Examiner Chronicle Groundbreaking Boston Globe This is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness Judith Viorst With wisdom humor and sympathetic understanding Judith Wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise David Blankenhorn Newsday Historically informative as well as profoundly wise psychologically Joan M Erikson For a long time as a Rabbi I ve been using The Good Marriage by the late Judith Wallerstein

in my pre marital counseling She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome addition to the field of literature on contemporary marriage The style is clear concise sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage Wallerstein s new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in The Good Marriage Elizabeth M Tully M D Journal of Academy of Child and Adolescent Psychiatry Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it Wall Street Journal With extraordinary skill and compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann Hewlett A very appealing book clearly written and clearly thought out Library Journal Wallerstein s major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution Readings A Journal of Reviews and Commentary in Mental Health
