This one is personal because the murdered man was a fellow Vietnam tunnel rat who had fought side by side with him in a hellish underground war. Now Bosch is about to relive the horror of Nam. From a dangerous maze of blind alleys to a daring criminal heist beneath the city, his survival instincts will once again be tested to their limit. Pitted against enemies inside his own department and forced to make the agonizing choice between justice and vengeance, Bosch goes on the hunt for a killer whose true face will shock him.

The Reversal Michael Connelly, 2010-10-05 In this bestselling thriller, after DNA evidence frees a sadistic killer, defense attorney Mickey Haller and LAPD Detective Harry Bosch must put him behind bars before he strikes again. Inspiration for the 1 Netflix series *The Lincoln Lawyer*. Longtime defense attorney Mickey Haller is recruited to change stripes and prosecute the high profile retrial of a brutal child murder. After twenty four years in prison, convicted killer Jason Jessup has been exonerated by new DNA evidence. Haller is convinced Jessup is guilty and he takes the case on the condition that he gets to choose his investigator, LAPD Detective Harry Bosch. Together Bosch and Haller set off on a case fraught with political and personal danger. Opposing them is Jessup, now out on bail, a defense attorney who excels at manipulating the media and a runaway eyewitness reluctant to testify after so many years. With the odds and the evidence against them, Bosch and Haller must nail a sadistic killer once and for all. If Bosch is sure of anything, it is that Jason Jessup plans to kill again.

The Harry Bosch Novels, Volume 3 Michael Connelly, 2010-11-03 For the first time in one volume, the three novels that take Harry Bosch through his most perilous cases yet, and to the edge of the abyss: *A Darkness More than Night*. It was a case some cops could live with: the torture and killing of a man who spread horrors of his own. Former FBI profiler Terry McCaleb is called in to decipher the grisly crime scene. Shockingly, the suspect he pinpoints is LAPD detective Harry Bosch. But while Bosch may have had a good reason to commit murder, he has an even better one for staying alive and for finding a suspect of his own. *City of Bones*. A dog finds a bone in the Hollywood Hills and unearths a murder committed more than twenty years earlier. It's a cold case, but Bosch can't let it go. As the investigation takes him deeper into the past, a beautiful rookie cop brings him alive in the present until a stunningly blown mission and a brutal showdown leave Bosch on the brink of an unimaginable decision. *Lost Light*. For years, the unsolved murder of Angella Benton has haunted him. Bosch was taken off the young production assistant's case when her death was linked with the violent theft of two million dollars from a movie set. Both files were never closed. Now, retired from the LAPD, Bosch is determined to find justice for Angella. And even in the faces of a powerful and ruthless opponent, he will not back down, with or without a badge. Together, these three riveting, relentlessly paced novels take us even deeper into the complex hero. USA Today has called one of the most fascinating characters in the mystery world and shows once more that Michael Connelly is the most talented of crime writers. *The New Yorker*.
