Business English prepares students for the emerging global business sector by making them aware of the need to adopt a sensitive approach towards business communication. Its unique pedagogical features include illustrations, practical guides, boxes with easy references, exhaustive examples that reflect the changing business world, charts and diagrams as value addition to the text and exercises to help in improving linguistic skills. *Communicating Professionally, Third Edition* Catherine Sheldrick Ross, Kirsti Nilsen, 2013-07-17. An updated and expanded version of the training guide Booklist called one of the most valuable professional publications to come off the presses in a long time, the new third edition of *Communicating Professionally* is completely revised with new sections outlining the opportunities offered by contemporary communication media. With more resource information on cross-cultural communication including new applications of communication principles and the latest research-based material on communication in general, this comprehensive manual covers fundamental skills such as listening, speaking and writing. Reading others' nonverbal behavior. How to integrate skills with tips for practicing. Sense-making: a theory of information as communication. Common interactions like speaking one-on-one, working in groups and giving presentations. Training others in communication skills including a special section on technology-based training.

**Managerial Communication** Geraldine E. Hynes, 2015-01-15. A Practical Strategic Approach to Managerial Communication. *Managerial Communication: Strategies and Applications* focuses on communication skills and strategies that managers need in today's workplace. This book continues to be the market leader due to its strategic approach, solid research base, comprehensive coverage, balanced examination of oral and written communication and focus on managerial not entry-level competencies. In the Sixth Edition, author Geraldine E. Hynes preserves the book's key strengths while reflecting the realities of the contemporary workplace.

Patient-Centred Translation and Communication Vicent Montalt-Resurrecció, Isabel García-Izquierdo, Ana Muñoz-Miquel, 2024-12-27. In response to the growing importance and spread of patient-centred care, the need to empower patients and the trend towards democratising specialised knowledge in health care, this book puts patients centre stage and provides concepts, methods and learning materials to enhance effective communication with patients and relatives in health care settings. Opening chapters establish the conceptual and methodological framework needed to understand patient-centredness, the crucial role of context and culture, the range of communicative situations and text genres involved and the diversity of modes, formats and media in which patient-centred translation and communication take place. Subsequent chapters raise awareness of the importance of carefully defining the target audience and producing understandable and empathetic messages and provide analytical tools for making decisions in these three key areas. The concluding chapter offers avenues for research in patient-centred translation and communication with the hope of bridging the gap between practice and research and advancing this growing field of inquiry. Including activities, resources, summaries, further reading and pointers to further research in each chapter, this is the essential guide for all translators and interpreters, students and professionals working in this area of translation studies, health care and
