The Camino A Journey Of The Spirit:

The Camino Shirley MacLaine, 2000-05-16 It has been nearly three decades since Shirley MacLaine commenced her brave and public commitment to chronicling her personal quest for spiritual understanding In testament to the endurance and vitality of her message each of her eight legendary bestsellers from Don't Fall Off the Mountain to My Lucky Stars continues today to attract dazzle and transform countless new readers Now Shirley is back with her most breathtakingly powerful and unique book yet This is the story of a journey It is the eagerly anticipated and altogether startling culmination of Shirley MacLaine's extraordinary and ultimately rewarding road through life The riveting odyssey began with a pair of anonymous handwritten letters imploring Shirley to make a difficult pilgrimage along the Santiago de Compostela Camino in Spain Throughout history countless illustrious pilgrims from all over Europe have taken up the trail It is an ancient and allegedly enchanted pilgrimage People from St Francis of Assisi and Charlemagne to Ferdinand and Isabella to Dante and Chaucer have taken the journey which comprises a nearly 500 mile trek across highways mountains and valleys cities and towns and fields Now it would be Shirley's turn For Shirley the Camino was both an intense spiritual and physical challenge A woman in her sixth decade completing such a grueling trip on foot in thirty days at twenty miles per day was nothing short of remarkable But even more astounding was the route she took spiritually back thousands of years through past lives to the very origin of the universe Immensely gifted with intelligence curiosity warmth and a profound openness to people and places outside her own experience Shirley MacLaine is truly an American treasure And once again she brings her inimitable qualities of mind and heart to her writing Balancing and negotiating the revelations inspired by the mysterious energy of the Camino she endured her exhausting journey to Compostela until it gradually gave way to a far more universal voyage that of the soul Through a range of astonishing and liberating visions and revelations Shirley saw into the meaning of the cosmos including the secrets of the ancient civilizations of Atlantis and Lemuria insights into human genesis the essence of gender and sexuality and the true path to higher love With rich insight humility and her trademark grace Shirley MacLaine gently leads us on a sacred adventure toward an inexpressibly transcendent climax The Camino promises readers the journey of a thousand lifetimes

The Spirit of the Appalachian Trail Susan Power Bratton, 2013-08-30 Want to know what wilderness means to people who live it for over two thousand miles Then read this extremely interesting informative intelligent and thoughtful book Roger S Gottlieb author of Engaging Voices Tales of Morality and Meaning in an Age of Global Warming There is no doubt that Bratton's book will be of value to students and scholars of leisure studies recreation and religion Those who are familiar with the Appalachian Trail sense intuitively that a journey along its length kindles spiritual awakening this book provides the hard data to prove it's true David Brill author of As Far as the Eye Can See Reflections of an Appalachian Trail Hiker The Appalachian Trail covers 2 180 miles passing through fourteen states from Georgia to Maine Each year an estimated 2 3 million people visit the trail and almost two thousand attempt a thru hike

walking the entire distance of the path For many the journey transcends a mere walk in the woods and becomes a modern day pilgrimage In *The Spirit of the Appalachian Trail Community Environment and Belief* Susan Power Bratton addresses the spiritual dimensions of hiking the Appalachian Trail AT Hikers often comment on how their experience as thru hikers changes them spiritually forever but this is the first study to evaluate these religious or quasireligious claims critically Rather than ask if wilderness and outdoor recreation have benefits for the soul this volume investigates specifically how long distance walking might enhance both body and mind Most who are familiar with the AT sense intuitively that a trek along its length kindles spiritual awakening Using both a quantitative and qualitative approach this book provides the hard data to support this notion Bratton bases her work on five sources an exhaustive survey of long distance AT hikers published trail diaries and memoirs hikers own logs and postings her own personal observations from many years on the trail and conversations with numerous members of the AT community including the trail angels residents of small towns along the path who attend to hikers need for food shelter or medical attention The abundant photographs reinforce the text and enable visualization of the cultural and natural context This volume is fully indexed with extensive reference and notes sections and detailed appendixes Written in an engaging and accessible style *The Spirit of the Appalachian Trail* presents a full picture of the spirituality of the AT Susan Power Bratton is professor of environmental studies She is the author of *Six Billion and More Human Population Regulation* and *Christian Ethics Environmental Values in Christian Art and Christianity Wilderness and Wildlife The Original Desert Solitaire*

Religious Tourism and Globalization Darius Liutikas,Razaq Raj,2024-04-04 Is it possible to identify the positive and negative effects of globalization on religious tourism or to estimate the transformation of the internal and external constructs of pilgrimage by these effects In order to address these questions this book highlights the importance of the search for identity and transformative experience during religious tourism It also looks at how recently globalization has played a part in the changes of the concept of personal and social identity and the transformative experience of pilgrimage This book will be suitable for researchers and students of religious tourism pilgrimage identity tourism as well as related subjects such as sociology anthropology psychology theology history and cultural studies
