Desperation Rick Mofina, 2021-11-15 A superbly written thriller Timely tense and terrifying Brad Thor A blisteringly paced story that cuts to the bone It left me ripping through pages deep into the night James Rollins Eleven year old Tilly Martin is dragged from her suburban bedroom Her mother Cora pleads for mercy but the kidnappers are clear if they don't get their 5 million back in five days Tilly dies If anyone contacts police Tilly dies Journalist Jack Gannon's estranged sister Cora disappeared without a trace decades ago Now she is frantically reaching out to him for help Cora tells him about the shameful mistakes she's made but she guards the one secret that may be keeping her daughter alive A twenty year old assassin haunted by the faces of the people he's executed seeks absolution as he sets out to commit his last murders as a hired killer In the U S and Mexico police and the press go flat out on Tilly's case But as Gannon digs deeper into his anguished sister's past the hours tick down on his niece's life and he faces losing a fragment of his rediscovered family forever Originally published in 2011 **Focus On: 100 Most Popular Compact Cars** Wikipedia contributors,

sales revenue and engage your entire organization in doing so The reason for embracing this method extends beyond achieving explosive sales growth The author has coached thousands of sales professionals over the years and one challenge they face stands out more than any other It s that selling is becoming increasingly difficult Why do you think there are over one million sales related vacancies in the United States at this very moment according to the US Bureau of Labor Statistics Prospects are more challenging to reach than ever work from home schedules anti spam legislation and policies that restrict visitors are making it increasingly difficult for your sales team to do what you want them to do sell Worse yet when they do make a sale it s as if they are burdening the rest of the organization Complaints about unachievable delivery dates unacceptable terms or insufficient profit all result in a clear divide between sales and everyone else The result A slow erosion of your sales and an increased likelihood that your sales team will soon be searching for a different career It s been this way for a while now and it will continue to be unless you adopt what the author shares in this book **Popular Science**
