The Story of Utopias: Ideal Commonwealth and Social Myths Lewis Mumford, 2020-09-28 It is a sunny day and I am sitting on the top of a mountain. Until this morning it had been the mountain of a fairy story that was twenty centuries old. Now it is a mighty hill and I can feel its warm coat of white reindeer moss, and if I were willing to stretch out my hand I could pluck the red berries that are in full bloom. A hundred years from now it will be gone. For it is really a large chunk of pure iron dumped by a playful Providence in the very heart of Lapland. Do you remember an old tale of Norse mythology? How somewhere far in the north there stood a high peak of iron which was a hundred miles high and a hundred miles wide. And how a little bird came to it once every thousand years to sharpen its beak. And how when the mountain was gone a single second of all eternity would have passed by I heard it told as a child. I remembered it always and I told it to my own boys when they began to learn history. It seemed the invention of some prehistoric Hans Christian Andersen. It belonged to the imaginary scenery of our dreams. The story has come true and I have found my old mountain where I least expected it. To make the cycle of coincidence perfect, this hill was named after a bird. The Lapp with a fine sense of sound called the ptarmigan. Kiru Kirunavaara no longer hears the shrill kiru kiru of rising birds. Twice a day it listens to the terrific detonation of half a hundred charges of dynamite. Then it is shaken by the little trains which carry the rock to the valley. In the evening it sees the lights of the large electric engines which hoist the valuable metal across the arctic wilderness of Lake Tornetrask. Two months later the ore has been melted and worked into those modern

articles of trade which go by the name of bridges and automobiles and ships and apartment houses and a thousand other things which once promised to elevate man from the ranks of the beasts of burden What has become of that promise the survivors of the last eight years know with great if gruesome accuracy Even the humble Lapp has heard of the great upheaval and has asked why the white people should kill each other when the whole world was full of reindeer and when God has given us the hills and the plains so that forever there should be food enough for the long days of summer and the longer nights of the endless winter *Some Plain Words to the English People* Arthur Bennett,1913 Against Gravity Farnoosh Moshiri,2005-12-27 More information to be announced soon on this forthcoming title from Penguin USA *Women in English Utopias, 1515-1895* Florence Janet Richman,1936 **Yale Studies in English** John Milton,1915 Albion Peter Ackroyd,2007-12-18 With his characteristic enthusiasm and erudition Peter Ackroyd follows his acclaimed London A Biography with an inspired look into the heart and the history of the English imagination To tell the story of its evolution Ackroyd ranges across literature and painting philosophy and science architecture and music from Anglo Saxon times to the twentieth century Considering what is most English about artists as diverse as Chaucer William Hogarth Benjamin Britten and Virginia Woolf Ackroyd identifies a host of sometimes contradictory elements pragmatism and whimsy blood and gore a passion for the past a delight in eccentricity and much more A brilliant engaging and often surprising narrative Albion reveals the manifold nature of English genius **The Story of Utopias** Lewis Mumford,2011-06-14 This early work is the first book written by the American historian philosopher literary critic and humanist Lewis Mumford In The Story of Utopias Mumford deals with The New Age socialism social sciences mysticism and utopia Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork *Twelve Centuries of English Poetry and Prose* Alphonso Gerald Newcomer,Alice Ebba Andrews,Howard Judson Hall,1928 *The Story of Utopias* Lewis Mumford,2024-11-29T22:51:36Z The concept of an ideal society has long existed in literature In The Story of Utopias Lewis Mumford explains how imaginative utopias can be used either as an escape from daily life or as the beginning of an actionable path to a better society He begins by tracing the historical evolution of the concept of utopia from Plato s Republic and More s Utopia through to the nineteenth and early twentieth century utopias of William Morris and H G Wells Along the way Mumford discusses how these ideal societies were influenced by the not so perfect societies the authors lived in as well as the impact they had on public thought and sentiment Mumford discusses how the society of his time especially the consumer paradise of the country manors and their opposites the industrial Coketowns was made possible by a particular worldview that prioritizes consumers over producers This worldview holds that a utopia can be achieved solely through technical laborsaving improvements Even revolutionary countermovements came to accept this premise with the corollary that salvation lies in a better distribution of material goods Furthermore Mumford asserts that science has become a tool for

mass production and art a tool for expressing personal feelings without relation to society as whole He concludes that in order to create a truly better society it s essential to be able to dream and invent a more appealing version of utopia that can reconcile both people s material and spiritual needs This book is part of the Standard Ebooks project which produces free public domain ebooks The American Indian in English Literature of the Eighteenth Century Benjamin Hezekiah Bissell,1925 **A Complete Dictionary of the English and German Languages Containing All the Words in General Use** Nicolaus Napoleon Wilhelm Meissner,1856 **A Complete Dictionary of the English and German and English Languages** ,1838 **A Complete Dictionary of the English and German and German and English Languages ...** Johann Gottfried Flügel,1847 A Manual of English Prose Literature William Minto,1886 **Rabenhorst's pocket dictionary of the german and english languages** ,1829 **Rabenhorst's pocket dictionary of the German and English languages, in two parts, by [G.] H.
