Pastrix Nadia Bolz-Weber, 2013-09-10 Now a New York Times bestselling author Nadia Bolz Weber takes no prisoners as she reclaims the term pastrix pronounced pas triks a term used by some Christians who refuse to recognize female pastors in her messy beautiful prayer and profanity laden narrative about an unconventional life of faith Heavily tattooed and loud mouthed Nadia a former stand up comic sure as hell didn t consider herself to be religious leader material until the day she ended up leading a friend s funeral in a smoky downtown comedy club Surrounded by fellow alcoholics depressives and cynics she realized These were her people Maybe she was meant to be their pastor Using life stories from living in a hopeful but haggard commune of slackers and her unusual but undeniable spiritual calling to her experiences pastoring people from all walks of life and poignant honesty Nadia portrays a woman who is both deeply faithful and deeply flawed giving hope to the rest of us along the way Wildly entertaining and deeply resonant this is the book for people who hunger for a bit of hope that doesn t come from vapid consumerism for women who talk too loud and guys who love chick flicks and for the gay person who loves Jesus and won t be shunned by the church In short this book is for every misfit suspicious of institutionalized religion but who is still seeking transcendence and mystery

Sacramented: A Cup Half Spilled J. Rodu, 2022-10-25 Escaping a religion is one thing but overcoming it the lingering thoughts the mental scars the chastised parts that can t move you out of that dark corner is a monumental journey The days pass and sometimes it seems like you

can't ever stop looking back or feeling the pain of the shards still scattered and struck within you How do we come to discover love truth acceptance beauty happiness when we were fed fake versions of all those things I drank from the cup but this book was my parasite cleanse We can learn slowly to move our bodies again and give ourselves what we need Let those thoughts spill out before they fester and collect back the parts of you that you were taught to throw out or shove down You've already done the hardest part by looking to the other side of the fence There's no more reason to be afraid so here we learn to find how beautiful the world actually is without a god whispering in our ear Through this poetry we will turn our bodies around and climb over that fence together No matter how broken and painful the pathway is we have the power to break through
