Puri,2010-06-01 The study of European wild food plants and herbal medicines is an old discipline that has been invigorated by a new generation of researchers pursuing ethnobotanical studies

in fresh contexts Modern botanical and medical science itself was built on studies of Medieval Europeans use of food plants and medicinal herbs In spite of monumental changes introduced in the Age of Discovery and Mercantile Capitalism some communities often of immigrants in foreign lands continue to hold on to old recipes and traditions while others have adopted and enculturated exotic plants and remedies into their diets and pharmacopoeia in new and creative ways Now in the 21st century in the age of the European Union and Globalization European folk botany is once again dynamically responding to changing cultural economic and political contexts The authors and studies presented in this book reflect work being conducted across Europe s many regions They tell the story of the on going evolution of human plant relations in one of the most bioculturally dynamic places on the planet and explore new approaches that link the re evaluation of plant based cultural heritage with the conservation and use of biocultural diversity

### **Traditional Christmas Recipes of Spain**

Malcolm Coxall,2013-09-17 For any traveller crossing Spain it is soon obvious that every region has its own distinctive culinary specialities Look a little closer and we realise that every province also has its own specialities Indeed when we really begin to dig deeper we find that most villages also have their own very particular recipes This high degree of culinary diversity may come as a nice surprise to many a jaded palate Sadly in much of the industrial world we are accustomed to bland standardised and utilitarian food Even at times like Christmas when good food should be central few really local specialities exist in our rather monochrome Westernised gastronomy Gladly Spain mostly avoided this industrialisation of food so that most people remain avidly interested in and proud of their own food products and their regional dishes This attitude probably explains the huge number of Michelin stars in the country Spain is a treasure trove of food diversity with centuries of cultural influences from Romans Arabs Jews and Christians contributing to many of the dishes still served today Spain is blessed with a pride and love of its own traditional recipes combined with a range and variety of ingredients that many a chef outside of Spain can only dream about Christmas is a special time in Spain and there are few people in the world as capable of making Christmas into a truly special occasion The Spanish have a love and understanding of good food Taken together with their ability to enjoy a good party Christmas in Spain is truly a culinary delight Here we present you with just some of the multitude of traditional Spanish Christmas Recipes Enjoy them and Feliz Navidad
