Father Tim's Church Survival Guide Tim Schenck, 2015 If you have little tolerance for ecclesiastical blowhards, if you've ever fantasized about implementing a clergy rating system (CRS), if you've ever sought tips on surviving diocesan convention, if you've ever tried to weasel your way out of pledging, then this book is for you, says author Tim Schenck. My take on church life isn't for everyone; clergy who take themselves too seriously will hate it. But know that it all comes out of a place of deep love for God and the Church. There are inevitably things that drive us nuts about such an imperfect, i.e., human institution. Yet if we can't observe and comment on our own foibles, we're left without much hope. And anyway, if God doesn't have a sense of humor, I'm hosed.

Loving and Dating on Valentine Day 2025 Azhar ul Haque Sario, 2025-01-31 Valentine's Day 2025 is more than just hearts and flowers; it's a complex social landscape for modern love. This book dives deep into the realities of dating and relationships during this emotionally charged holiday. We explore the anxieties of first dates, the algorithms of dating apps, and the pressures faced by singles. We dissect the nuances of casual dating, online flirting, and financial considerations. From navigating the talking stage to managing long-distance romance, we cover it all. We also address the sting of rejection, the influence of social media, and the importance of clear communication. Whether you're single, casually dating, or in a committed relationship, this book offers insights and strategies for navigating Valentine's Day with confidence and self-awareness. This isn't your typical Valentine's Day guide. It goes beyond surface-level advice and delves into the psychological and sociological factors at play. It examines the impact of social pressure, the complexities of modern relationships, and the evolving role of technology. While other books might focus on gift ideas or date suggestions, this one equips you with the knowledge and tools to understand yourself, your partners, and the dynamics of dating in the digital age. It offers a fresh perspective on Valentine's Day, empowering you to define your own narrative and create meaningful connections regardless of your relationship status. It's the essential companion for anyone seeking love and connection in the 21st century.
