User's Guide to Campaign Finance Reform Gerald C. Lubenow,2001 Is campaign finance reform dead or alive Can Congress really fix the problems that American voters perceive in their electoral system This book assumes that voters are the end users of campaign finance reform and it questions whether average citizens really know what they are asking for or what they may get when they demand change In this book ten prominent political scientists and commentators challenge the conventional wisdom about the role of money in campaigns and elections They look at the level of campaign spending in recent times the judicial perspective on spending as a First Amendment right the current diversity of donors the media spin on the subject and the act of contributing as a form of political participation The inimitable Norm Ornstein wraps it all up with a model reform proposal that is at once more moderate than McCain Feingold and yet radical in its own way Published under the auspices of Berkeley Public Policy Press **Congressional Record Index** ,1975 Includes history of bills and resolutions
