C. Conant, Thomas J. Conant, 2003-09-12 A View of the English Editions, Translations and Illustrations of the Ancient Greek and Latin Authors: With Remarks Lewis William Brüggemann, 2023-11-29 **The Ter-century of the Authorized Version of the English Bible, 1611-1911** F. T. Tagg, 1911 **Never at Rest** Richard S. Westfall, 1983-04-29 This richly detailed 1981 biography captures both the personal life and the scientific career of Isaac Newton presenting a fully rounded picture of Newton the man the scientist the philosopher the theologian and the public figure Professor Westfall treats all aspects of Newton s career but his account centres on a full description of Newton s achievements in science Thus the core of the work describes the development of the calculus the experimentation that altered the direction of the science of optics and especially the investigations in celestial dynamics that led to the law of universal gravitation **Time, History, and Political Thought** John Robertson, 2023-06-22 Explores the multiple ways in which different conceptions of time and history have been used to understand politics since late antiquity showing that no conception of politics has dispensed altogether with time and many have explicitly sought legitimacy in association with forms of history **A History of Western Appreciation of English-translated Tang Poetry** Lan Jiang, 2018-03-08 This book examines the development

of English translated Tang poetry and its propagation to the Western world It consists of two parts the first of which addresses the initial stage of English translated Tang poetry s propagation and the second exploring its further development By analyzing the historical background and characteristics of these two stages the book traces the trend back to its roots discusses some well known early sinologists and their contributions and familiarizes readers with the general course of Tang poetry s development In addition it presents the translated versions of many Tang poems The dissemination of Tang poetry to the Western world is a significant event in the history of cross cultural communication From the simple imitation of poetic techniques to the acceptance and identification of key poetic concepts the Tang poetry translators gradually constructed a classic Chinese style in modern American poetry Hence the traditional Chinese culture represented by Tang poetry spread more widely in the English speaking world producing a more lasting impact on societies and cultures outside China and demonstrating the poetry s ability to transcend the boundaries of time region nationality and culture Due to different cultural backgrounds the Tang poets or poems admired most by Western readers may not necessarily receive high acclaim in China Sometimes language barriers and cultural differences make it impossible to represent certain allusions or cultural and ethnic concepts correctly during the translation process However in recent decades the translation of Tang poetry has evolved considerably in both quantity and quality As culture is manifested in language and language is part of culture the translation of Tang poetry has allowed Western scholars to gain an unprecedented understanding of China and Chinese culture

Antony and Cleopatra In Plain and Simple English (A Modern Translation and the Original Version) BookCaps, William Shakespeare, 2011 The love affair between Cleopatra and Mark Anthony has been recounted many times but none with the same tragic grandeur as William Shakespeare Unfortunately hundreds of years have made it difficult for many modern readers to see the sensual juiciness of the play BookCaps modern retelling will help you see the play like never before If you have struggled in the past reading Shakespeare then BookCaps can help you out This book is a modern translation of Antony and Cleopatra The original text is also presented in the book along with a comparable version of both text We all need refreshers every now and then Whether you are a student trying to cram for that big final or someone just trying to understand a book more BookCaps can

help We are a small but growing company and are adding titles every month

A ^ANew English Translation of the Septuagint Albert Pietersma,Benjamin G. Wright,2007-11-02 Translated from Hebrew and Aramaic originals in the two centuries before Jesus the Septuagint provides important information about the history of the text of the Bible For centuries scholars have looked to the Septuagint for information about the nature of the text and of how passages and specific words were understood For students of the Bible the New Testament in particular the study of the Septuagint s influence is a vital part of the history of interpretation But until now the Septuagint has not been available to English readers in a modern and accurate translation The New English Translation of the Septuagint fills this gap

The Publishing History of Uncle Tom's Cabin, 1852-2002 Claire Parfait,2016-12-05 Uncle Tom s Cabin continues to provoke impassioned discussions among scholars to serve as the inspiration for theater film and dance and to be the locus of much heated debate surrounding race relations in the United States It is also one of the most remarkable print based texts in U S publishing history And yet until now no book length study has traced the tumultuous publishing history of this most famous of antislavery novels Among the major issues Claire Parfait addresses in her detailed account are the conditions of female authorship the structures of copyright author publisher relations agency and literary economics To follow the trail of the book over 150 years is to track the course of American culture and to read the various editions is to gain insight into the most basic structures formations and formulations of literary culture during the period Parfait interrelates the cultural status of this still controversial novel with its publishing history and thus also chronicles the changing mood and mores of the nation during the past century and a half Scholars of Stowe of American literature and culture and of publishing history will find this impressive and compelling work invaluable
