The Best Letters Of Charles Lamb:

The Best Letters of Charles Lamb Charles Lamb, 1892 The Best Letters Of Charles Lamb Charles Lamb, 2024-02 The collection of letters known as The Best Letters of Charles Lamb is written by the well known English poet and writer Charles Lamb 1775 1834 Lamb is most recognised for his work alongside his sister Mary Lamb and for the essays he wrote under the pen name Elia Selected and edited by Edward Gilpin Johnson this volume compiles some of Charles Lamb s most incisive and captivating correspondence The letters give readers a window into Lamb s personal and intellectual life while showcasing his wit humor and literary flair The letters include a wide range of subjects such as his interactions with other writers his opinions on art and literature and his observations on day to day living in 19th century England Lamb s distinct voice and literary appeal are evident in every letter making this collection an invaluable tool for anyone interested in the literature and culture of the Romantic era The letters provide a rich tapestry of Lamb s own experiences pleasures and difficulties in addition to revealing his relationships with notable personalities of his day All things considered The Best Letters of Charles Lamb provides a fascinating look into the thoughts of one of the most well liked authors of the 19th century The Best Letters of Charles Lamb Charles Lamb, 2015-06-25 Excerpt from The Best Letters of Charles Lamb In this edition of the correspondence of Charles Lamb that of his sister Mary Lamb is for the first time included In it also appear for the first time between seventy and eighty letters many of them of the highest importance and it is the first edition to take note in chronological order of those letters printed by other editors that are not available for the present volumes a step which should I think add to the biographical value of the work In these two volumes I have after much consideration placed my notes at the end of each letter rather than as in the five preceding volumes at the end of the book My reason for doing so was twofold in the first place to serve the convenience of the reader to whom annotation of the correspondence is often a necessity and not as in the case of the other writings a luxury and in the second place because by joining the letters with a few words of commentary they can be made practically into a consecutive Life The self conscious deliberate construction of Lamb s essays and poems each a work of art forbade the introduction of footnotes that might distract the attention from the true matter of the text hence in the preceding five volumes such remarks as the editor had to make will be found sharply separated from the authors part of the book But here where Lamb is often writing without premeditation with a running pen and writing moreover for a single reader it seemed to me that the impropriety of interrupting the correspondence by elucidatory comments was so slight as to be almost non existent About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any
