The Best Of Me English Edition:

The Best of Me David Sedaris, 2020-11-03 Genius It is miraculous to read these pieces You must read *The Best of Me* Andrew Sean Greer New York Times Book Review A New York Times Book Review Editors Choice A CNN and Christian Science Monitor Best Book of the Month For more than twenty five years David Sedaris has been carving out a unique literary space virtually creating his own genre A Sedaris story may seem confessional but is also highly attuned to the world outside It opens our eyes to what is at absurd and moving about our daily existence And it is almost impossible to read without laughing Now for the first time collected in one volume the author brings us his funniest and most memorable work In these stories Sedaris shops for rare taxidermy hitchhikes with a lady quadriplegic and spits a lozenge into a fellow traveler s lap He drowns a mouse in a bucket struggles to say give it to me in five languages and hand feeds a carnivorous bird But if all you expect to find in Sedaris s work is the deft and sharply observed comedy for which he became renowned you may be surprised to discover that his words bring more warmth than mockery more fellow feeling than derision Nowhere is this clearer than in his writing about his loved ones In these pages Sedaris explores falling in love and staying together recognizing his own aging not in the mirror but in the faces of his siblings losing one parent and coming to terms at long last with the other Taken together the stories in *The Best of Me* reveal the wonder and delight Sedaris takes in the surprises life brings him No experience he sees is quite as he expected it s often harder more fraught and certainly weirder but sometimes it is also much richer and more wonderful Full of joy generosity and the incisive humor that has led David Sedaris to be called the funniest man alive Time Out New York *The Best of Me* spans a career spent watching and learning and laughing quite often at himself and invites readers deep into the world of one of the most brilliant and original writers of our time

recesses of Byron's poetic thought Amongst the particular themes discussed here are the presence of women in the lives and poetry of both men the disentangling of the sense of alienation and exile exhibited in their authorial psyches the significance of the doppelgänger for their satire and a weighing of the deep contrapuntal nature of Byron's thought contrasting it with Pope's Byron and the Best of Poets is the first major study of its kind to explore these multiple aspects and to unpack them in the work of both poets
