Billionaire Bennett Graham urgently needed a wife to close a business deal but his fianc e wasn t ready to tie the knots yet So his grandmother picked the most unassuming maid for him Everything was supposed to go incredibly well and all he had to do was wait until he divorced her a year later But after seeing Maliyah s ocean eyes it wasn t looking simple anymore Before I could get her up it was as if she felt the light and an uncomfortable sound came out of her mouth Uh huh She raised her hand to cover her eyes But I didn t have time to wait for her to wake up so I told her to Get Up My voice seemed to scare her

and her light fearing eyes suddenly widened and she kept moving to the corner The only voice in the quiet art room was her fear filled voice No please go away don t come close to me She was afraid of me I hadn t even spoken to her before what was she afraid of This was definitely not going to work I couldn t talk to her if she couldn t calm down Then I moved closer to her my hand on her trembling shoulder and I whispered soothingly Calm down I m not going to hurt you I m not going to hurt you I assured and then she moved her hair away from her face as if to stare at me properly Our eyes met It was that moment It felt as if I was enchanted for a moment Those ocean eyes were the most beautiful eyes I ve ever seen **The**

Cameron has a problem Not only has she lost her way after the death of her parents she lost a bit of herself as well Her only solace is the constant loving care of her housekeeper Mrs Hardy and the beloved family art gallery that she inherited from her father In order to side step the limelight and still get her work done Erin creates an alter ego named Penny Boucher as her assistant Each day the beautiful violet eyed brunette transforms herself into a brown eyed blonde and heads off to work Her disguise works so well that her own staff prefers having Penny around rather than Erin But a double life has a way of creating double trouble Especially when a tall dark and gorgeous art collector named Tristan Forsyth arrives from Scotland determined to buy Cameron Gallery At first Erin uses Penny as a way for her to avoid the billionaire and his all knowing sexy green eyes Until Erin realizes that not only does she not want to avoid Tristan she can t stop thinking about him When a valuable painting is stolen and Erin becomes the prime suspect can she turn to the handsome Scottish billionaire for help And more importantly can she tell him the truth about her double life [Saved by the Billionaire](#) Roxy Jordan, The sun was rising gently pouring into my bedroom I stretched out in the sheets feeling them beneath my fingertips They felt better this morning softer and nicer I had met a boy It sounded silly but I had Not my type either There was no way around the fact he was a dork A nerd Silly and flustered when he spoke to me trying to make eye contact but failing because I was a cheerleader

And I loved it He was so adorable that I couldn't stand it On a whim and three drinks later I had given him my number in hopes he'd contact me Now with a slight hangover looking at the tree outside my dorm bedroom a single from some strings my dad had pulled with college admission I felt excited There had been boys since I started college sure but not like how I felt with when I had been talking to Chris It was strange because the instant attraction to him wasn't even purely physical No he was quite nerdy more than any other guy I had been attracted to But I had busted in late at the party and interrupted him in a spirited debate with one of my casual friends And by interrupted I meant I had bashed into him when I wasn't looking trying to get my coat off of me And now here I was hoping he would call me but worried that he would be too nervous I glanced at my pile of textbooks I didn't mean to think of Chris in stereotypes but he would be the type to hang out at the library right What if I tried to run into him With no classes today since it was Saturday I thought I'd try it out If it went poorly I could pretend I was there to study
