their first World Series in a dozen years but it was Joe Morgan and Cincinnati's Big Red Machine who cemented a dynasty with their second consecutive World Championship. The season was defined by the outrageous antics of team owners Bill Veeck, Ted Turner, George Steinbrenner, and Charlie Finley, as well as by several memorable bench-clearing brawls and a batting title race that became just as contentious as the presidential race. Meanwhile, as the nation celebrated its two hundredth year of independence, Major League Baseball players waged a war for their own liberties by demanding free agency. From the road to the White House to the shorts-wearing White Sox, Stars and Strikes tracks the tumultuous year after which the sport and the nation would never be the same.

The Great Eight Society for American Baseball Research (SABR), 2014-04-01. The 1975 Cincinnati Reds, also known as the Big Red Machine, are not just one of the most memorable teams in baseball history; they are unforgettable. While the Reds dominated the National League from 1972 to 1976, it was the '75 team that surpassed them all, winning 108 games and beating the Boston Red Sox in a thrilling 7-game World Series. Led by Hall of Fame manager Sparky Anderson, the team's roster included other legends such as Johnny Bench, Pete Rose, Joe Morgan, Tony Pérez, Ken Griffey Sr., and Dave Concepción. The 1975 Reds were notably disciplined and clean-cut, which distinguished them from the increasingly individualistic players of the day. *The Great Eight* commemorates the people and events surrounding this outstanding baseball team with essays on team management and key aspects and highlights of the season, including Pete Rose's famous position change. This volume gives Reds fans complete biographies of all the team's players, relives the enthralling 1975 season, and celebrates a team that is consistently ranked as one of the best teams in baseball history.

George Foster and the 1977 Reds, Mike Shannon, 2019-06-17. The Cincinnati Reds are recognized as one of the great teams in baseball history. Left fielder George Foster, an integral part of the Reds back-to-back 1975 and 1976 World Championships, has never received proper credit for his contribution to their legacy. In 1977, Foster became the most feared slugger in the National League, batting .320 with 52 home runs and 149 runs batted in to win the NL MVP Award, establishing a new single-season home run record for the Reds franchise that still stands. Yet Foster's big year was not enough to stem the emergence of the Los Angeles Dodgers, who roared out of the gate and ran away with the NL West Division pennant. This book tells the story of Foster's record-setting season and puts his pre-steroid era achievements in their proper perspective. The author chronicles the subsequent decline of the Big Red Machine and the rest of Foster's big league career.
