The Blacker Death Larry Enright, 2014-10-26 Only three things in life are guaranteed you're born you die and somewhere in between if you keep playing the odds you'll get lucky What makes me such an expert Nothing really My name is Bam Matthews I'm an FBI agent and in forty eight hours give or take I'll either be damn lucky or stone cold dead Guaranteed And so it goes for Bam Matthews an FBI agent at the end of his career who in his own words should have retired years ago but other than my job all I've got is a dog who can beat me at checkers an old farmhouse in Jersey with a sixteen penny nail I drove into the kitchen wall to hang my piece at night and this Gremlin that I've kept running for thirty six years The story opens when a New York hit man comes to town and whacks a local drug dealer right under the FBI's nose A complicated case to crack but nothing compared to what Bam and his partner find lying on the sidewalk bleeding to death after leaving the murder scene the first ever case of Ebola to be reported in the city This gritty first person thriller follows a breadcrumb trail through murder panic fear and revenge drawing you inexorably to an unforgettable heart pounding conclusion As one reviewer said You can't put this book down Note Some language and situations in this book may not be appropriate for children under 18
