The Little Black Book of Poetry Ashish Verma, 2017-10-09 The poems in this book will take the reader on a roller coaster ride through the unfathomable depths and darkest caverns of their mind towards the light at the end of the tunnel with each poem splashing on the canvas of their spirit and psyche like freshest and sweetest waters of spring The poems strive at bequeathing moments that will plunge the reader's mind and heart into a tussle making them feel ecstatic and at the same time leaving them profoundly wondering about their own existence The poems are simple yet witty powerful and at times intense enough to provide the reader with hiatus from the daily vicissitudes and rigmarole of this rat trap called life For people who find themselves ruminating and contemplating passionately about this life searching for meaning and answers through a humble effort this book will endeavor to give words to those feelings of their mind and flowing emotions as well as clean up the cobwebs of old buried relationships and feelings from the deepest abyss of their existence to leave them in a pristine state Each leaf of this book will leave the reader with a noble feeling of an external observation towards their own selves and the emotions that escape their consciousness

BLOOD BOOK Michael O. Edwards, From the very beginning of human history it is revealed When Adam and Eve sinned God shed innocent blood in order to make them clothes from animal skin This is a picture of the covering of righteousness that we received when the Lord Jesus Christ died for us This is perhaps the most

important and vital virtue of the blood That is the cleansing power of the blood from all sins and the ability to impute to us who accept Christ His righteousness And this book gives a better understanding of the mystery of blood Ge 4 3 And in process of time it came to pass that Cain brought of the fruit of the ground an offering unto the LORD 4 And Abel he also brought of the firstlings of his flock and of the fat thereof And the LORD had respect unto Abel and to his offering In Genesis four we read that Adam and Eve had two sons Cain and Abel They instinctively wanted to worship God Cain sacrificed the fruit of the ground Abel had already learned that God demanded blood so he brought a lamb This is confirmed by the scripture in Hebrews that tells us Abel offered his sacrifice by faith and the bible tells us Faith comes by hearing Heb 11 4 By faith Abel offered unto God a more excellent sacrifice than Cain by which he obtained witness that he was righteous God testifying of his gifts and by it he being dead yet speaketh Ro 10 17 So then faith cometh by hearing and hearing by the word of God That means Abel must have learnt blood sacrifice by hearing from God or from his father that without blood there is no remission and the Introduction 2 reconciliation to God in worship and relationship was only possible by the sacrifice of the blood God accepted the blood of Abel s lamb but He did not accept Cain s offering *Blood Tower* Samuel Grom,2019-03-14 Earth was a beautiful place but all beautiful things can and will die given enough time So surely enough the world died or at least as it was known Many monstrosities were born of this cataclysm Only Man and Reaper were of the old world though reapers came soon before this death In a new reality born from the corpse of the last an ancient being known as The Reaper John Doe wanders the wilderness alone with his pale horse After a time he happens upon an old friend by the name of Forbol Forbol leads John to a city rife with hate Although John is nomadic as are most lone Reapers he is called to stay and fulfill a sacred duty As member of the Nomad Order he must answer The Call of the Nomad Cruelty and bloodshed require John to set things right but this dangerous adventure is much more than the Reaper expects Tumble into the wondrous sparks of magic and science the bloody darkness of humanity and the bizarreness of life in Samuel Grom s *Blood Tower* The Book of Mephisto Asenath Mason,2006 **Deadly Beasts Book 2: Divine Blood** TM Watkins,1901 Nicolas Delacroix has always been a magnet for trouble His life as a vampire has been one of debauchery and luxury With money to burn nothing is beyond his reach and the excessive lifestyle of the affluent vampire playboy is his for the taking His nights of hitting the town to find a temporary female friend are thrown into chaos when he is placed as co leader of the Lancaster family dynasty with his younger sister Martine Without a true Lancaster ruling the dynasty it is weaker and susceptible to attack Lycans openly attack as retribution for their inability to return to their home world blaming the vampires for their suffering And if being a leader of a vampire dynasty wasn t enough for Nicolas he comes across a woman that holds a secret one that will change his world forever Rowan didn t want to fall for the charming womaniser she wanted to hide from the pain that his influence on her life has caused But some secrets aren t meant to be kept Distracted by the issues in his life Nicolas doesn t see the dark figure in the background hiding in the shadows Slowly the figure brings their plan for complete domination into fruition

gaining more power with each passing day The ultimate prize is worth fighting for and the shadow figure will do whatever it takes to get it even if it means death Stopping the shadow figure at every turn Nicolas does everything he can to protect those that he loves and in doing so becomes something that he never believed possible An Exposition of the Book of Solomon's Song ...
