The Broken Crescent Fereydoun Hoveyda, 1998-06-25 Militant Islamic fundamentalists blame the ills of their societies on the West calling for the overthrow of local governments and the resumption of Jihad against the Infidels Ambassador Hoveyda explores the historical and contemporary causes of the current wave of militant Islamic fundamentalism If Western colonization and economic domination of the 19th and 20th centuries are to be blamed for the predicament of Muslim countries Hoveyda asserts that Muslims also bear a great responsibility for their situation This book shows how the triumph of fundamentalist interpretations of the Koran in the 12th century triggered the gradual decline of Islamic civilization and chronicles the history of militant Islamic movements from the Assassins of the late 11th century to the reign of Ayatollah Khomeini It shows why despite their terrorist attacks in the West fundamentalists are even more dangerous for Muslim countries that are desperately trying to catch up with the global economy to alleviate their accumulated social and economic problems Hoveyda draws upon a lifetime of experience as well as scholarship and the experiences of others to provide an important insider outsider examination of a worldwide concern

someone is sending nasty Christmas cards to local widows Chief Buckner becomes overwhelmed as the town government demands he stifle local crime but simultaneously questions his decision to hire black police officers To top it off a group of local businessmen believes Buckner should enforce moral conduct and the county sheriff has his eye on a seat in the state legislature instead of on helping Buckner Chief Buckner and his inexperienced police force must somehow find their way out of a dangerous crossfire that could leave Corinth s future in jeopardy **The Broken Badge** Lydia Warner

Miller,2019-09-18 The Broken Badge is a collection of my poetry about grief Although my writing is greatly influenced by my own experience as a police widow everyone interprets these poems according to their unique life experiences It is my hope that as you read my poems that those with grieving hearts will realize that they are not alone on their journey that others have felt all of the bewildering and sometimes out of control emotions too and realize eventually we do smile and find laughter once again I have tried to arrange my poems in an order to help guide one s grief along acknowledging the losses anger and fear that we feel while also attempting to show that there still is joy out in the world it just may take a while to find it or in my case longer than some But today the sound of laughter once again fills my ears and it is my own Devotions.
