Lester Pierce,2021-08-22 Previously published as the bucket list album for everyone by Bucket List Albums Why I created this album I met a sixty five year old man one time in the hospital He had a rare form of cancer that spread to his spinal cord causing him to become quadriplegic He cried in front of me and threw his fist on his bed telling me he had worked his whole life for a boss he hated He was going to retire at the age of sixty and start relaxing but his boss insisted to keep on working So he did The only memories he had was of him working and working and working Not a single moment in his life that he enjoyed It was heartbreaking Because it reminded me of my own disease a severe mental disorder that is sometimes accompanied by memory loss That man taught me a very important lesson Make good memories and document them and I hope I can spread that lesson to everyone with my albums How to use this album On the top of every left page of this album is a bucket list idea activity Underneath that idea is a square What I want from you is to do that idea activity Take a picture of you doing it you have to be in the picture because it makes it so much more meaningful there will be some activities that don t require it Once you ve printed a copy of that picture paste it on that square in any way you want may it be tilted or even upside down Just be sure you can actually see the picture On the right page after the one where you glued your picture is a lined area where you can journal about the activity There are eighty bucket list ideas activities for you to do and after that you can add twenty of your own When you have aged and become wiser may it be far into the future I want you to take this book and go through it page by page watch every picture you ve taken and read every word you ve written Have fun Get your copy now and start making awesome memories *Wise Woman Collection-The No-Regrets Bucket List* Marion Elizabeth

Witte,2013-02-01 Who Do You Want to Be Before You Die When you mention a bucket list many people think about the movie of the same name starring Morgan Freeman and Jack Nicholson The characters they play are critically ill and as such they create a to do list of things to accomplish before they kick the bucket The idea depicted in the film generated an interest in the public in preparing their own personal bucket list including on them such items as activities to engage in or things to acquire during one s lifetime The No Regrets Bucket List suggests there is also a need to create a bucket list for living one that establishes the criteria for who we want to be during our lifetime and how we can live a more authentic and purpose driven life This tool can aid the preparer in creating a more meaningful life as opposed to winding up with regrets for the life
