When Hate Happens, So Does Other Bad Stuff Richard G. Dumont,2013-03 When Hate Happens has been written to appeal to a broad intelligent thoughtful and open minded readership While it is grounded in well documented psychological and sociological research the use of professional jargon is avoided in so far as possible and the book is written in an informal style that relies on common sense and down to earth sociology What numbers and statistics are used by the author in discussing his own original research findings on manifest hate and its reciprocal negative impacts on society are presented in common sense and non mathematical terms so that a lack of mathematical and statistical sophistication should not be an obstacle to understanding A major stated goal is to encourage energize mobilize and give further direction to those who are already committed to respecting diversity teaching tolerance and fighting hate The concluding chapter identifies several strategies that readers can adopt to attain their shared progressive objectives Disrespect of diversity intolerance and engaging in or indifference to manifest hate along with currently obscene levels of economic inequality are among our most immediate and important national issues and what we choose to do or not to do about them will ultimately determine the fate and very survival of our ever so fragile democracy

Haunted Bars & Pubs of Michigan Nicole Beauchamp,2023 Explore the spirits of Michigan s watering holes From the

picturesque shores of Manistique to the crystalline waters of Diamond Lake in Cassopolis Michigan overflows with pubs and bars swirling with chilling legends The decrepit ghost of Wattie Mullins welcomes visitors into Coonan s Irish Hub The spirit of a black eyed girl has been spotted playing on the steps of the C Pub at Canterbury Village and her appearance has left many feeling shaken and stirred A mysterious soul inhabits a bizarre doll at The Agitated Grape and comes alive when you least expect it Local author and paranormal investigator Nicole Beauchamp leads this eerie literary road trip perfect for anyone who likes to eat drink and be scary Beethoven Hero Scott Burnham,2020-07-21 Bringing together reception history music analysis and criticism the history of music theory and the philosophy of music Beethoven Hero explores the nature and persistence of Beethoven s heroic style What have we come to value in this music asks Scott Burnham and why do generations of critics and analysts hear it in much the same way Specifically what is it that fosters the intensity of listener engagement with the heroic style the often overwhelming sense of identification with its musical process Starting with the story of heroic quest heard time and again in the first movement of the Eroica Symphony Burnham suggests that Beethoven s music matters profoundly to its listeners because it projects an empowering sense of self destiny and freedom while modeling ironic self consciousness In addition to thus identifying Beethoven s music as an overarching expression of values central to the age of Goethe and Hegel the author describes and then critiques the process by which the musical values of the heroic style quickly became the controlling model of compositional logic in Western music criticism and analysis Apart from its importance for students of Beethoven this book will appeal to those interested in canon formation in the arts and in music as a cultural ethical and emotional force and to anyone concerned with what we want from music and what music does for us
