**[With the text.]**, 1850 *The Expansion of the Early Islamic State* Fred M. Donner, 2017-05-15 This volume presents a  
 selection of the key studies in which leading scholars since the beginning of the 20th century attempt to explain the  
 phenomenally rapid expansion of the early Islamic state during the 7th century CE The articles debate the causes for the  
 conquest movement or expansion the reasons for its success the nature of the movement itself the impact the expansion had  
 on the countries affected by it and the complex questions surrounding the sources on which historians have constructed their  
 views of the expansion and the reliability or lack of it of those sources No articles devoted to the actual conquest of a given  
 locality are included hundreds exist but a fairly extensive bibliography lists many of the more important contributions in this  
 genre The editor s introduction addresses the phenomenon of the expansion and how scholars have approached and grappled
