A Dream About This Book Years ago I dreamed about a book I would write in the future In the dream I was looking at the book which fell open to the middle because of inserts located there The inserts reminded me of free samples offered in women s magazines for perfumes and other products The inserts offered in this book were free samples of dress shirts with bright colors such as pink lavender chartreuse teal and coral They were starched and folded and the reader was able to pick any one of them or all if they so desired I was amazed that something so valuable would be included with the purchase of a book I then woke up I asked others for an interpretation but never felt that any interpretation was correct God revealed the dream s interpretation a few months before this book went to print If you decide to purchase you will be holding the book from that dream in your hands God s interpretation the shirts represent the varied amazingly beautiful personalities of the people who will read this book This book will offer them maybe for the first time the opportunity to choose to be themselves apart from the influence of deceptions which have pressured them to be someone they are not The shirts were all brightly colored because every personality is uniquely crafted by God as one of a kind and therefore boldly stands out The freedom to take or leave the shirts was left up to the reader with no pressure whatsoever This represents God s gracious offer of freedom without any obligation The shirts could even be taken out later as they were nicely folded and did not interfere with the reading of the book This represents God s timing for some who will not be able to embrace their freedom while reading However they can come back later to choose their freedom God has a destiny for your life and He is faithful to lead you into it I pray this book will give you the courage to pick your own color and stand out as the one of a kind individual that He has called you to be

The Technology Of Warfare Prayer In The Battle Of Life Tella Olayeri, 2023-05-19 This is another volcanic eruption spiritual prayer book loaded with divine wisdom We grow in the Lord to conquer and have intimacy with him In the absence of prayer technology we beat about the bush This book makes us to be a violent soldier of God that removes mountains without fear to get result Life problems are like trees they have root We must uproot the tree before we can have peace Without prayer technology we may deal with the leaves branches and trunk instead of the root This prayer book will empower you to find the root of what you are fighting and uproot it to have result Christians must learn how to store prayer machine in storage and provide energy to pray This book tells the steps needed to excel in prayer and make you a champion Mountains are removed Satan and his agents are rebuked with prayer machine Internal bondage is broken and internal instability is nullified Vacuum of God is loaded with light of God that build palace of salvation in the heart The Lord knows we are skeptical of mountains This is the reason he guides our destiny against mountains that stand on our way God wants us to be recognized lifted honoured and fulfil our goal However in the journey of life we battle dark forces assigned to reduce us to nothing Such forces prevent us from moving forward and achieve our purpose in life What they create is

mountain Mountains represent the immovable and the impossible powers that delay success It takes different shapes and sizes It may be almost too steep to climb almost too high to cross and almost too awesome to see beyond If you are not rooted in prayer awake and be ready to fight the battle of life The enemy awaits you at every point you want to succeed The enemy contends with your prosperity If you are aiming high in life you need this book It will teach you how to be prayerful because the enemy wants to control you Prayer is an ingredient of success not a religious activity Prayer is intimacy with immortals and to attain the height you must carry the DNA of Jesus Christ in prayer Above all this book will open your eyes to spiritual liberation and deliverance It will enable you to think right and learn from mistakes The book will empower you among other things to do wonders in life and achieve the followings 1 It will end worry and problems that snare at you in the spirit and in real life 2 It will break every witchcraft cage and slaughter powers behind it with prayer 3 It will break every witchcraft chain that keeps soul in perpetual bondage 4 It will break the power of darkness so that you don't lick your wounds 5 It will make you avoid growth in decay that leads to disaster 6 Mountains are removed and or grounded to a plain to advertise the glory of God in your life 7 Every enemy of your promotion shall be silenced 8 Your foundation is addressed for breakthrough success and joy 9 Hostility of the enemy against you shall be addressed until enemies are put to flight 10 Oil of peace shall flow in you and doors of success shall open to you It is time to apply prayer technology to every situation that concerns us This book is the answer Have yours pray it excel and be full of life to Jesus Christ Incessant Ramblings of a Wilderness Survivor M. L. Johnston, 2021-11-19 Man your guns and put on your lipstick this means war Pack your bags and get ready to journey toward your promised land It is time to break free from your Egypt and enslaved ways of thinking Get ready to fight for your freedom learn more about your identity and step into purpose On the journey you may okay likely will face a wilderness season That doesn't mean that you won't reach your destination What is God doing during your seasons of waiting Why is the journey taking so long You may feel like you're on a trip with a small child who needs to stop every hour for breaks like you'll never get there You may even want to turn your vehicle around and return to Egypt Will you ever reach your destination Despite the fact that it seems as though you've been struggling for forty years and you feel like you're circling around the same mountains Be encouraged God is working He will bring you into your promised land **The Cuckoo Syndrome** Andrea Anderson Polk, 2022-05-03 Is there someone in your life who tries to monopolize your time and consume your energy Or someone who leaves you feeling confused or misunderstood but you cannot put your finger on exactly how or why Is there someone with whom you are unable to have a rational conversation and things seem very complicated Maybe this person is never satisfied no matter how much you try to love help and please them Are you the one doing all the work in a relationship In *The Cuckoo Syndrome* Andrea Anderson Polk a licensed professional counselor helps us fend off the cuckoos unhealthy relationships toxic thinking and self sabotaging behavior in order to find our identity in God and discover new purpose vision and meaning in our lives We know the cuckoo bird as a colorful wooden figurine that

pops out of a clock and chirps the hours of the day to the delight of children and adults alike In reality the cuckoo bird is a parasite invading the nest of other birds destroying the eggs already present and fooling the family into raising an ever demanding never satisfied cuckoo chick Polk a licensed professional counselor compares cuckoo birds nature s infamous imposter to the human experience situations and relationships demonstrating haunting confusion and unnecessary suffering Cuckoos can invisibly sabotage our most intimate relationships our ministries and our careers our deepest desires In The Cuckoo Syndrome Polk gives us new insight and ways to fend off these cuckoos that invade our nests with their devious disguises Cuckoos can take many forms There is the cuckoo of avoiding emotion the fear cuckoo the stress cuckoo the shame cuckoo the unresolved grief cuckoo the perfectionism cuckoo the counselor cuckoo and probably the most insidious cuckoo of all the religion cuckoo Drawing from a depth of study in scripture science and psychology Polk breaks us free from the cuckoo s snare by teaching us to embrace the desires of our heart as we uncover the truth of who we are who others are and who God is We can learn to establish great joy in our identity by committing ourselves to discover meaning in suffering and understanding how our pain is the genuine catalyst for purpose Rescue: So Others May Live! J.D. Wilson,2013-11

Leadership in the church has lost its God ordained identity as small family fellowship leaders and traded it in for a Business model of leadership The model for church life that Jesus left as a very strong impression on the New Testament was to be part of a family that shares each other s burdens and offers hope and healing prayer to one another My purpose in writing this book is to help church leaders and small group leaders re discover their God given roles of family leadership I write this message also in order to equip followers of Jesus to model and emulate Jesus Christ to others through surrender and obedience to the Holy Spirit Galatians clearly teaches to Walk by the Spirit and that should be our only goal then Jesus can Rescue hearts through us *War on Fear* John Morgan,2016-11-08 Become empowered to become a more confident positive person by learning how to let go of fear in your life **Queens Can Beat Kings** Susie Isaacs,2007 Part autobiography part history part strategy guide Combining years of personal experience and interviews with top women poker players Susie Isaacs offers a behind the scenes look at the poker careers of women players past and present insider s tips for winning especially against men in two of poker s top games Texas Hold Em and Seven Card Stud and details her own personal journey from playing when women were barely tolerated at tables to becoming a top player and poker legend **Breed to Win** Sabong Culture and Art,2025-07-23 Breed to Win Advanced Gamefowl Breeding for Serious Breeders is for the ones who aren t just raising birds they re building legacies Written in real everyday language without the fluff this book cuts straight to the heart of what makes a breeding program work From bloodline selection and breeding systems to culling sparring tracking results and stacking traits that matter this is hands on no nonsense advice from someone who s lived it Whether you re refining a bloodline testing a new cross or just tired of breeding blind this book is your go to It s not about hype It s about doing the work learning from the birds and building something you can be proud of No gimmicks No sugar coating Just real
