and busies herself making plans for the future Henrietta is terrified of telling Thomas the truth but his reaction astonishes her Austria Rosa cannot believe the war has dealt her such a terrible blow and seeks solace at a spiritualist meeting where she is given a strange message that will change her life for ever Germany While Max faces danger on the front lines food shortages make life difficult at home and Steffi is torn between managing on her own or accepting help Italy Lucrecia s new talent has changed her life completely but not in the way she hoped All books contain adult content War Ancestors: Ypres Simon Fowler, 2015-02-28 Do you have an ancestor who served at Ypres in the First World War during the four years in which the city was in the front line Perhaps you have thought of visiting the battlefields nearby and the monuments that commemorate them and want to find out exactly where your ancestor served and what part he played in the four great battles that took place there So many British soldiers served in Flanders during the long struggle to defend the Ypres Salient and to break out of it that there is a good chance that your ancestor was there at some stage of the war This practical and informative handbook is an ideal guide to the struggle for the city and the stories of the men who took part in it It is also a fascinating introduction to researching the Great War as a whole Simon Fowler outlines the course of the fighting around the city and he introduces the most important historical resources that you can use to explore the history for yourself The book identifies the key sources for family historians including at The National Archives and the Imperial War Museum together with the many resources online that researchers can turn to There is also advice on the literature archives museums and monuments that may help you to gain an insight into your ancestor's story Menin Gate North Paul Chapman, 2016-11-30 This is a comprehensive and highly emotive volume borne of years of intensive research and many trips to the battlefields of the Great War It seeks to humanize the Menin Gate Memorial North to offer the reader a chance to engage with the personal stories of the soldiers whose names have been chiseled there in stone Poignant stories of camaraderie tragic twists of fate and noble sacrifice have been collated in an attempt to bring home the reality of war and the true extent of its tragic cost It is hoped that visitors to the battlefields whether their relatives are listed within or not will find their experience enriched by having access to this treasure trove of stories

The Canadian Experience of the Great War Brian Douglas Tennyson, 2013-05 Although the United States did not enter the First World War until April 1917 Canada enlisted the moment Great Britain engaged in the conflict in August 1914 The Canadian contribution was great as more than 600 000 men and women served in the war effort 400 000 of them overseas out of a population of 8 million More than 150 000 were wounded and nearly 67 000 gave their lives The war was a pivotal turning point in the history of the modern world and its mindless slaughter shattered a generation and destroyed seemingly secure values. The literature that the First World War generated and continues to generate so many years later is enormous and addresses a multitude of cultural and social matters in the history of Canada and the war itself Although many scholars have brilliantly analyzed the literature of the war little has been done to catalog the writings of ordinary participants men and women who served in the war and wrote about it but are not included among well known poets novelists and memoirists Indeed we don't even know how many titles these people published nor do we know how many more titles were added later by relatives who considered the recollections or collected letters worthy of publication Brian Douglas Tennyson's The Canadian Experience of the Great War A Guide to Memoirs is the first attempt to identify all of the published accounts of First World War experiences by Canadian veterans
