Prayer Books and Piety in Late Medieval and Early Modern Europe / Gebetbücher und Frömmigkeit in Spätmittelalter und Früher Neuzeit Maria Crăciun, Volker Leppin, Katalin Luff, Ulrich A. Wien, Christopher B. Brown, Günter Frank, Barbara Mahlmann-Bauer, Tarald Rasmussen, Violet Soen, Zsombor Tóth, Günther Wassilowsky, Siegrid Westphal, 2023-05-15 This collected volume is dedicated to the role of prayer books in lay piety in medieval and early modern contexts Instead of focusing on individual examples it places them within the broader genre of devotional literature and considers them in connection with prevailing cultural religious and artistic developments taking into account the Reformation the printing press and growing interest in lay piety in the context of increasing individualism developing literacy privatization and or personalization of religion Contextualising devotional literature the volume refines understandings of religious practice

fostered by traditional Catholicism and early modern Protestantism and its relationship with the written word locating the use of books within a devotional diet that included oral recitation of prayers as well as contemplation of images Stressing continuities often against the grain of existing literature this volume highlights differences between regional cultures of prayer in contrast to norms set by the universal Church and emphasizes the tension between public communal and private individual devotion *Defending Public Education* Jeff Swensson,2024-03-06 Traditional public education is at a pivotal juncture in history A structural divide generated by partisanship creates two major perspectives about America s schooling This book takes the reader to the brink of the chasm that divides America s schooling One perspective equips students with the capabilities for navigating precarious balance the other adheres to static balance These dynamically opposed iterations of balance are the origin of a battle to determine which perspective will control education and as a result control citizenship government and individual rights Throughout this discussion the tactics and intentions of the foes of public schools are called out for their devastating impact on teaching learning and social reality This book is a clarion call to defend traditional public schools and their role as the launching pad for the intellectual autonomy and open futures that all US students deserve

Recovering from Biblical Manhood and Womanhood: How the Church Needs to Rediscover Her Purpose Aimee Byrd,2020-05-05 This book dismantles every mistruth that you ve heard about the role of women in the Bible her place in the church and the patriarchal lie of so called biblical manhood and womanhood In its place Aimee Byrd details a truly biblical vision of women as equal partners in Christ s church and kingdom The church is the school of Christ commissioned to discipleship The responsibility of every believer men and women together is being active and equal participants in and witnesses to the faith And yet many women are trying to figure out what their place is in the church fighting to have their voices heard and filled with questions Do men and women benefit equally from God s word Are we equally responsible in sharpening one another in the faith and passing it down to the next generation Do we really need men s Bibles and women s Bibles or can the one Holy Bible guide us all The answers lie neither with radical feminists who claim that the Bible is hopelessly patriarchal nor with the defenders of biblical manhood whose understanding of Scripture is captive to the culture they claim to distance themselves from *Recovering from Biblical Manhood and Womanhood* presents a more biblical account of gender marriage and ministry It explores the feminine voice in Scripture as synergistic with the dominant male voice It fortifies churches in a biblical understanding of brotherhood and sisterhood in God s household and the necessity of learning from one another in studying God s word Until both men and women grow in their understanding of their relationship to Scripture there will continue to be tension between the sexes in the church Church leaders can be engaged in thoughtful critique of the biblical manhood and womanhood movement the effects it has on their congregation and the homage it ironically pays to the culture of individualism that works against church family and a Christ like vision of community

Siva's Saints Gil Ben-Herut,2018 In *Siva s Saints* Gil Ben Herut challenges common notions about the Virasaiva tradition

in its nascent phases By closely reading the saints stories in this text Siva s Saints takes a more nuanced historical view than commonly held notions about the egalitarian and iconoclastic nature of the early tradition arguing instead that early bhakti devotionalism in the Kannada speaking region was less radical and more accommodating toward traditional religious social and political institutions than thought of today
