**Undrugged: Sleep** Dr. Lori Arnold PharmD,2018-03-23

Sleepless in America is not a Meg Ryan and Tom Hanks movie This is a real life drama fueled by the performance anxiety that keeps you up all night worrying about being up all night If you battle nightly dream stealers you are one of fifty to seventy million American adults with chronic sleep disorders We live in a take a pill and go to sleep era Like Pavlovs dogs insomnia plagued Americans have been trained to pop a pill to reap a sleep reward expecting to immediately fall asleep and stay asleep with little or no effort The path of least resistance offers an easy way out rather than focusing on the root cause of the insomnia What do you hope to achieve by taking a sleeping pill You hope to achieve a blissful state of restful and rejuvenating sleep allowing you to then work better think better and function better the next day You hope that prescription sleep aids will be a temporary fix and will not result in long term use or dependence Expectations and actual experiences may vastly differ often yielding more disappointing results than anticipated Your health choices are being unfairly influenced by clever pharmaceutical marketing propaganda resulting in a destructive drug path plagued with dangerous side effects interactions drug induced diseases nutrient depletions and even addiction If sleeping pills are the problem Undrugged Sleep is the solution that will help you embark on a personal healing journey Becoming more aware of sleep drugs health impairing issues will help motivate you to remove the drug insult correct the root cause and ultimately replace the drug with safer natural solutions A functional medicine approach offers insomnia drug alternatives combining sleep hygiene nutrition and nutraceuticals No more Band Aid approaches to healing Undrugged Sleep is a true drug free solution that will restore rejuvenating rest and have you sleeping like a baby in no time

[Tears Heal](#) Kate Orson,2016-10-06 One of the most difficult things parents of babies and young children have to deal with are tears When babies cry parents shhh or rock them to try to get them to stop When toddlers tantrum parents may distract them attempt to reason with them or ignore their crying in the hope it won t last long It seems natural to judge the success of parenting by how much children cry Tears Heal

will allow readers to discover parenting's biggest paradigm shift the way they respond to their children's tears Here parents will learn how to transform their parenting by moving away from stopping feelings towards listening instead Tears Heal explains how children's challenging behaviour comes from unheard feelings and how through simple shifts in how we respond to their upsets we can solve our parenting struggles Tears Heal is warm and full of empathy for the hard work and struggles that parents go through It also has a strong leaning towards helping parents with their own emotions as they deal with their children's challenging moments It explains why we find children's feelings hard to handle because our feelings weren't fully listened to when we were children and shows how we can nurture and support ourselves so that we can be the parents we want to be
