is attentive and loving but he's rarely around anymore. He hires all these people to see to me because he can't be with me. He comes home, satisfies me, and then he's back to work. But where does he go to get his satisfaction? Matthew, I never thought Amanda would question my love and devotion to her. Once she became pregnant and I knew I would have a family, I put all my energy and money into purchasing the company I'm working for. As the owner, my time will be my own, but it's difficult adjusting to Amanda's mood swings. I'm stressed, and I need to relax. Forever Mine 5 African American box set book 5 Amanda. I don't think I can trust Matt anymore. Everyone seems to have his attention except me. Why does he continue to see Alecia when I need him home? I've made up my mind. I've had enough of Matthew and Alecia. Whatever secrets they have together, they can keep. It will be hard separating from him because I'm in love with him. If he loved me the way I love him, he would be home tonight. Matthew, Amanda doesn't trust me, and I suspect that Alecia has had a hand in how Amanda is perceiving me at this time in her pregnancy. I don't blame Amanda for her behavior because I'm keeping secrets from her. for themselves So when they met one another and realized just how like minded they were the twosome joined forces both personally and professionally got married and created what eventually became Simone Cosmetics After they had been married for a while and their company was up and running my parents decided that they were ready to start a family Not long after I came along I must admit I had quite a charmed childhood I lived in the most beautiful home that was located in the nicest part of town attended the best schools and had the greatest friends My parents also got me involved in their business early on because they had every intention on passing it down to me one day So I knew everything that there was to know about running Simone Cosmetics However my favorite aspect of the company was its dynamic marketing department I always loved watching the dapper men and glamorous women who worked in that area come up with creative and artistic ways to package and promote the wonderful products that my parents had created Once I graduated from high school and went off to attend one of the top universities in the country I decided to major in marketing Those college years were wonderful I met a lot of incredible people was taught by some of the best instructors and still remain close to the women I met when I pledged one of the top African American sororities in the country Alpha Kappa Kappa During the summers I would go home and intern at my parents company in the marketing department of course Those essential internships helped guide and motivate me and kept me focused Ultimately I always knew I would return to my parent s company upon graduation join the marketing team and work my way up until I was running the show But one of the most exciting experiences I had during college was meeting the man of my dreams David James David was the star of the basketball team and I was his biggest fan My sorority sisters and I were considered celebrities on our college campus and we always hosted the biggest parties and turned heads everywhere we went The basketball players were regular party goers and David and I would always flirt whenever we d see one another So I wasn t surprised when one of David s teammates who just so happened to be dating my best friend Janice passed a message along saying that David was interested in me
