**Billionaire's Runaway** Brynn Paulin, 2025-01-30 Luke I fell in love with Laura months ago but she's determined to be free and not fall for anyone who might take over her life I'll admit as a billionaire a CEO and the oldest of five brothers I'm prone to being bossy but I don't want to keep her under my thumb I want her under me in the best possible most pleasurable way Because regardless of what she might think she's mine and I'm hers I knew it in an instant Now I just need to bring her onboard with it Laura Luke Cassel is the most dangerous man I've ever met handsome smart powerful dominating It's the last characteristic that frightens me On the run from my domineering father who wants to force me into an arranged marriage to a man I've never even met I'm desperate to find the freedom to live my life on my own terms No matter how much I want Luke I'm afraid I may fall under his control and lose the only thing I've had to cling to all my life Myself

**Billionaire's Frenemy** Brynn Paulin, 2025-02-17 Jameson Willow Tate is a monster A self-centered brat with delusions of grandeur and I'm completely irrevocably in love with her Have been all my life From pulling her pigtails on the playground in kindergarten to doing different things to her tail Willow has been my lifelong partner in crime But now it seems that she may have gotten tired of waiting around for me and found someone who actually deserves her All I've ever secretly wanted was for her to be happy And if I have to lose her completely to make that happen then I guess that's what I'm going to have to do Willow Jameson Cassel is the most egocentric obnoxious man I've ever met in my life And I love him so much that sometimes I worry I might accidentally let him know But he only loves himself And I can't risk my heart with him Of course now the situation is a little different I don't know what to do Lying seems the best course of action I'm torn Do I tell him the truth and trust that he feels the same way I do Or do I protect my heart at all costs

**Billionaire's Surprise** Brynn Paulin, Fray I see I want I take That's my mantra but it's always been applied to business deals Never in my life have I used it in regard to a woman At least not until I met Emerson Blake the woman of my dreams who I spied across a crowded bar I spent ten minutes with her and immediately knew I'd spend the rest of my life loving her But she lives half a country away and that's way too far from my bed and my life in New York City Oh well I've overcome worse obstacles She doesn't know it yet but she's about to get the Christmas surprise of a lifetime Emerson Three months ago we had ten perfect minutes together That's all it took for Fraser Cassel to impact my life Everything shifted and I didn't even realize it until my thoughts returned to him over and over I obsessed over a guy I had barely met and would never see again I longed for him So when I unexpectedly win a cruise it seems like a good way to get my head on straight again Then Mr Obsession walks in and my plans for fun and sun and forgetting him go out the porthole All I can imagine is spending hours in his arms This time we have more than ten minutes We have seven days Will they be enough to last a lifetime Yeah I doubt it too

**The Billionaire's Prize** Kristi Avalon, 2024-06-01 Sometimes temptation is the most dangerous threat The daughter of an unsolved murder victim Kylie Graham is fascinated with cold case files During her law firm internship Kylie approaches Cade Soren about his father's

death believing it to be a murder Though dismissed by the playboy that doesn't stop Kylie from being both intensely attracted to him and pursuing the trail of his father's killer Cade Soren doesn't want to dredge up the past But he has no choice except to face the truth when another murder occurs and he suspects the naïve but beautiful Kylie is in danger Determined to protect her Cade hides Kylie on his private yacht where their passion overrides fear But with the past still haunting them both and a murderer still on the loose Kylie and Cade must face the truth together or risk losing their love and their lives
