With only one day left on her vacation and meeting the man of her dreams she had to pile all that love and adventure into one night. But was one night enough when Liam declared I will always love you. Liam O'Shea had traveled all around the world and seen many women but none like Tasha. It was an attraction that he couldn't deny. Maybe it was the sex. Maybe it was her body but there was no denying he didn't want her to leave him. Will Tasha give up her life in the states to be with the man she loves after a one night affair. Will Tasha see Liam again or will they discover that the strong attraction they had for each other has weakened. In the next 4 books in this bundle you will follow the complex lives of Tasha James and Liam O'Shea and his twin Sean O'Shea when Tasha discovers that she's pregnant. Is Liam the father or his twin brother.
