**The Book and the Blade** J. D. Fisher, 2016-05-10 Fear grips the land of Kaelethin as the fallen guardians have been unwittingly unleashed by Elmian and Spuvok. Staying focused on completing their journey to reach the emerald altar, the brothers venture through an evil land of shadow toward the Crevice where the dead rise in the night and desire to shed blood. Tierfi meanwhile must find a way to stop the fallen guardians before they wreak havoc throughout the land. Rife with danger, magic, and fearsome battles between good and evil, J. D. Fisher's stirring *The Book and the Blade: Unleashed* continues the epic story of Elmian and Spuvok's quest to bring a prophesied restoration to the world of Lindoria. *The Book and the Blade* J. D. Fisher, 2013-08 When The One created Lindoria, it was perfect in atmosphere and intelligent life. The One loved His creation and lived with them, teaching them to harness their powers and flourish in unity. However, rumblings in another realm called Him away, but not without a promise to return. When He did return, He was rejected and killed, but some believe He still lives. Is this possible? Join not one elf on a journey, but two elf brothers on a special assignment given to them by none other than The One. The crystals they use to control the elements and influence minds actually hold the power of The One, who they scarcely have believed in until now. Though this world has fallen, they are not without hope. Will the brothers make it through dangerous territories and all species of enemies to fulfill their purpose? Read *The Book and the Blade* today.
