Mouse,2018-10-01 THE BOOK OF NOODLES or Simpletons Fools and Their Follies is a book filled with unique collection of Noodle tales from around the world But what is a Noodle After a fashion the typical noodle in popular tales points a moral These poor fellows follow their instructions only too

literally and with a firm conviction that they are thus doing a very clever thing But the consequence is almost always ridiculous They practically show the fallacy of the old saw that fools learn by experience for his next folly is sure to be greater than the last in spite of every caution to the contrary They are generally very honest and do everything with the best intentions Their minds are incapable of entertaining more than one idea at a time but to that they holds fast with the tenacity of the lobster s claw they cannot be diverted from their task until by some accident a fresh idea displaces it and so on they go from one blunder to another Their blunders however which in the case of an ordinary man would infallibly result in disaster to himself or to others sometimes lead the fools to unexpected good fortune It is to them the great Persian poet S d alludes when he says The alchemist died of grief and distress while the blockhead found a treasure under a ruin Men of intelligence toil painfully to acquire a mere livelihood but the noodle stumbles upon great wealth in the midst of his wildest vagaries In brief they are in stories at least a standing illustration of the vanity of human life So enjoy this collection of Noodle tales brought together by W A Clouston from widely scattered sources While this book may bring you enjoyment and occasional bouts of mirth its purchase will also benefit someone somewhere for 10% of the publisher s profit will be donated to charity YESTERDAY S BOOKS FOR TOMORROW S CHARITIES KEYWORDS TAGS book of noodles moral tales simpletons fools folly idiots luck of the Irish ancient Greece Gotham gothamite drolls drolleries variants analogues silly son four Brahmans first Brahman second Brahman third Brahman fourth Brahman conclusion three great noodles fool of Hereford fool of Huntington blunders task driven accidents blockhead treasure foolish honest thought process ideas *THE SAND-HILLS OF JUTLAND - 18 tales and stories by Hans Christian Andersen* Hans Christian Andersen,2018-09-30 In this volume you will find 18 children s stories by the master story teller Hans Christian Andersen This present volume is the second of the selected stories from Hans Christian Andersen John Ruskin after whom Ruskin College Oxford is named considered The Sandhills of Jutland to be the most perfect story that he knew The 18 tales in this volume are The Sand Hills Of Jutland The Mud King s Daughter The Quickest Runners The Bell s Hollow Soup Made Of A Sausage Stick The Neck Of A Bottle The Old Bachelor s Nightcap Something The Old Oak Tree s Last Dream The Wind Relates The Story Of Waldemar Daae and His Daughters The Girl Who Trod Upon Bread Ol The Watchman Of The Tower Anne Lisbeth Or The Apparition Of The Beach Children s Prattle A Row Of Pearls The Pen And The Inkstand The Child In The Grave Charming The power of Andersen s tales to charm and elevate runs like a living thread through whatever he writes His books have met the tests and held an undiminishing popularity among the best of children s books They have set the standard and their place in permanent literature will grow wider and more secure as time passes Only a few children s authors will and should be ranked among the Immortals and Hans Andersen is without a doubt one of them That the genial author travelled widely for a man of his time has enabled him to add charm to the stories in this volume Almost everywhere he went he was urged to tell the tales himself Even though he had become world famous he did with equal measures of charm and grace in the kitchens of the humble and in the courts of nobles and palaces of kings

wrong The children wish to be beautiful but the servants do not recognise them and shut them out of the house They wish to be rich then find themselves with a gravel pit full of gold spade guineas that no shop will accept as they were removed from circulation in 1816 so they can't buy anything A wish for wings seems to be going well but at sunset the children find themselves stuck on top of a church bell tower with no way down getting them into trouble with the gamekeeper who must take them home and so the wishing and the ensuing adventures continue The book was made into a film in 2004 featuring Freddie Highmore Jonathan Bailey Jessica Claridge Poppy Rogers and Alec Muggleton with Kenneth Branagh as Uncle Albert and Tara Fitzgerald as the mother It has won a number of awards and been nominated for a Bafta 10% of the profit from the sale of this book is donated to charities
