The Book Of Revelation Through Hebrew Eyes:

The Book of Revelation Through Hebrew Eyes Vol 2 John Klein, Adam Spears, 2009-06 This is the second book in a three volume series that will cover the entire book of Revelation in awe inspiring detail expounding and expanding on familiar verses in God's word that have been misunderstood and misconstrued for many years In this volume the authors explore the first half of Revelation from the perspective they established so clearly in Volume 1 that of a Hebrew God speaking through a Hebrew believer to an audience that was intimately familiar with the Hebrew language culture customs and concepts that form both the literal and the metaphorical foundation for vast portions of Revelation Secrets of Revelation Jacques Doukhan, 2002 Jacques B Doukhan an Adventist scholar of Jewish heritage mines the Old Testament to uncover new meaning in the battle of Armageddon and the millennium He ties the symbolism of the book to the sanctuary service of ancient Israel showing how the seven sections of the book correspond to the seven feasts of Judaism He argues that the prophecies of Revelation foretell the eventual discrediting of secularism Egypt the resurgence of conservative religion Babylon and a final coalition of the two movements in the climactic events before the second coming of Christ to defeat sin and save His people

Lost in Translation Vol 3 John Klein, Adam Spears, 2012-03 This is the final book in a three volume series that covers the entire book of Revelation in awe inspiring detail expounding and expanding on familiar verses in God's word that have been misunderstood and misconstrued for many years In this volume the authors explore the second half of Revelation from the perspective they established so clearly in Volumes 1 and 2 that of a Hebrew God speaking through a Hebrew believer to an audience that was intimately familiar with the Hebrew language culture customs and concepts that form both the literal and the metaphorical foundation for vast portions of Revelation **Romance of the Hebrew Calendar** Raphael Ben Levi, 2013-02-28 In the introduction to *Romance of the Hebrew Calendar* author Raphael Ben Levi writes This book is about relationships I make no apologies for it When everything has been said and done what are we left with that endures Relationships borne out of agape love This is what the deepest and most authentic relationships are composed of from beginning to end This absorbing and ground breaking book will inspire readers to develop a deeper relationship with God and bring restoration to those who are spiritually broken According to the author there is a special heartbeat that pulsates through the veins of the biblical year which has helped shape the identity of the Jewish people Written from a Jewish messianic perspective *Romance of the Hebrew Calendar* contains inspirational and fresh insights that are highly engaging and provocative The main theme is complemented by a rich compendium of poignant stories and devotions drawn from Jewish tradition historical archives and firsthand accounts The Jewish festivals are lovingly presented to demonstrate a unified message of redemption The months of the Hebrew calendar are accompanied by individual sections relating to the constellation connected to each tribe as represented by their banner or flag The Hebrew word *mazal* from the plural word *mazzaroth* is associated with the patterns of stars in the sky and we find various biblical references to it such as in the Book

of Job In addition Romance of the Hebrew Calendar contains individual sections for each chapter relating to the jewels of the high priest s ephod their colours and their inherent connection with the twelve tribes of Israel The combined messages contained within the biblical feasts the mazzaroth and the jewels of the high priest s ephod converge to form a unified declaration of God s love revealed in Yeshua Ha Meshiach that will capture your imagination and attention This book is beautifully written easy to read and contains many insights and revelations that are interwoven and presented to make it a treasure to adorn every bookshelf *The Road to True Discipleship* Rob Pohlman,2016-02-09 Over the last twenty five years God has been preparing Rob Pohlman for presenting this book to the Christians of this age Rob shows us what we have been programmed to believe by the world and how this differs from the will of God for us He shows us in detail the realities of Gods kingdom and our place in it as mature disciples of Christ who are able to contribute to the glory of God right here on this earth and prepares us for the kingdom to come Join him on the journey toward spiritual maturity that God so deeply desires for us to display and enjoy It will not be an easy journey but it will prove to be well worth the effort and life changing in every aspect of your life **Anatomy of the Heavens** John Klein,2013-04 A discussion of the zodiac from a biblical perspective Once a Christian Wayne Talbot,2017-07-11 You worship what you do not know we know what we worship for salvation is of the Jews But the hour is coming and now is when the true worshippers will worship the Father in spirit and truth for the Father is seeking such to worship Him God is Spirit and those who worship Him must worship in spirit and truth John 4 22-24 Jesus spoke these words to a Samaritan woman but the author believes that they should be directed to Christians of all denominations Jesus preceded these words by stating that the hour is coming when you will neither on this mountain nor in Jerusalem worship the Father Central to the prophecies is a return to Jerusalem from where the Father will be worshipped forever Why would Jesus contradict the Father Contradictions such as these were largely responsible for the author doubting the authenticity of the texts or if the texts are authentic then one must doubt the claims of Jesus being the prophesied Messiah There were two key issues that the author sought to resolve separately 1 Does Christianity truly follow the footsteps of Jesus of Nazareth or did Rome invent its own Jesus a man who never was and 2 Was Jesus the prophesied Jewish mashiach of the kingly line of David Other contentious issues would resolve from those two Resulting from wide ranging research the author concluded that neither Christian precept was true Believing in God and walking away from Christianity was his only choice The Throne Motif in the Book of Revelation Laszlo Gallusz,2013-12-05 This book argues that the throne motif constitutes the major interpretive key to the complex structure and theology of the book of Revelation In the first part of the book Gallusz examines the throne motif in the Old Testament Jewish literature and Graeco Roman sources He moves on to devote significant attention to the throne of God texts of Revelation and particularly to the analysis of the throne room vision chs 4 5 which is foundational for the development of the throne motif Gallusz reveals how Revelation utilizes the throne motif as the central principle for conveying a theological message since it appears as the focus of the

author from the outset to the climax of the drama The book concludes with an investigation into the rhetorical impact of the motif and its contribution to the theology of Revelation Gallusz finally shows that the throne what it actually represents is of critical significance both to Revelation's theism and to God's dealing with the problem of evil in the course of human history

Exploring the Heavenly Sanctuary Marc Rasell, 2012-06-14 This book reveals whether there is a temple in heaven and what its purpose is Christ is revealed as our High Priest who intercedes for us This is the heart of the Seventh day Adventist message Issues addressed include Can we be sure there is a real temple in heaven What is the purpose of this temple When does the judgement start Do we need to keep the Ten Commandments Should we observe a literal Sabbath And much more The heavenly sanctuary reveals Jesus who ever intercedes for us Hebrews 7:25 An extremely thorough engaging presentation of the framework of Seventh day Adventist beliefs Kirkus Review The Victorious Kingdom Richard Booker, 2013-01-15 Victory not gloom and doom Understanding the Book of Revelation for Today The Book of Revelation is not a book of doom and gloom but rather the story of victory of the Lamb of God and those who follow Him In this third book in a groundbreaking series Dr Richard Booker explains John's vision within its original historical literary and biblical context

Written in Dr Booker's usual clear style *The Victorious Kingdom* is powerful prophetic practical and personal ideal for individual or group study *The Victorious Kingdom* shares fresh perspectives that include Reading Revelation within the context of its biblical Jewish roots Learning the historical and spiritual background of the seven churches congregations Learning the influence of Greek mythology and Roman imperial cult worship Understanding the Book of Revelation is a three volume series that helps you see the future by examining the past Volume 1 *The Overcomers* Volume 2 *The Lamb and the Seven Sealed Scroll* and Volume 3 *The Victorious Kingdom* *Revelation's Great Love Story* Larry L. Lichtenwalter, 2008 The Book of Revelation The Apocalypse Words that often call to mind bizarre creatures strange seals dreadful plagues and a slew of other mystifying symbols Most of us approach this last book of the Bible with forebodings rather than hope To us John's vision seems more like a nightmare But the elderly apostle begins with a statement that doesn't seem to fit the rest of the book The revelation of Jesus Christ Apparently he intends to unveil something tremendously important about Jesus Something life changing Something we can't afford to miss Larry Lichtenwalter explores a side of Revelation seldom portrayed Christ's passionate love for humanity This recurring theme subtly appears in the imagery and symbolism throughout John's vision The slain Lamb The divine protective sealing The blood bleached white robes The heart wrenching prayer of the saints Without Christ's love these scenes and symbols would mean nothing Ultimately John's vision reveals the extraordinary love of our Savior for His rebellious undeserving children and the incredible reasons we can love Him in return

Israel, the Church, and Millenarianism Steven D. Aguzzi, 2017-07-28 Since the calls of the Second Vatican Council Roman Catholic theologians have sought to overcome an overarching problem facing Jewish Christian relations the concept of supersessionism the idea that God has revoked the spiritual and historical promises made to the Jewish people in favour of granting those same privileges to a predominantly Gentile Church Israel the Church and Millenarianism breaks new ground by applying an ancient principle to the problem of Israel's replacement the early Church's promotion of millennialism Utilizing the best in Patristic research Aguzzi argues that these earliest Christian traditions made room for the future of Israel because Christ's reign in the Church was viewed as provisional to his historical reign on earth Israel's role in salvation history was and is not yet complete Aguzzi's research also opens the door for a greater Catholic understanding of the millennial principle not shying away from its validity and relevance for understanding the importance of safeguarding Jewish particularity while concluding that the Synagogue and the Church are indeed on a parallel trajectory what will their Israel's acceptance be but life from the dead Romans 11:15 Ultimately the divine will is fulfilled through both Christian and Jewish means in history while each community is dependent in different ways upon the unfolding of God's future and the coming Parousia of Christ *Spes Christiana* 2020-02 Reinder Bruinsma, 2021-01-12 *Spes Christiana* is the journal of the European Adventist Society of Theology and Religious Studies EASTRS It contains articles from all subdisciplines of theology Biblical Studies Church History Systematic Theology Practical Theology and Mission Studies as well as auxiliary disciplines Major

Armageddon at the Door Jon Paulien, 2008 An examination of the collaboration between Egyptian and Indian nationalists against the British Empire this book argues that the basis for Third World or Non Aligned Movement was formed long before the Cold War It follows the connections between nationalist activists of both colonies through the first half of the twentieth century using personal memoirs intelligence reports journal articles records of conference proceedings and secondary literature It illuminates how Egyptian nationalists recognized a shared dilemma with Indian nationalists and cooperated with them to mobilize against imperialism worldwide

Towards an Adventist Version of Communion Ecclesiology Tihomir Lazić, 2019-11-13 This book explores how Seventh day Adventists like other Christians can benefit from generating their own version of communion ecclesiology It starts by offering a critical analysis of the status quo of the existing Adventist portrayal of church as remnant and suggests potential ways of moving this tradition forward To articulate a more rounded and comprehensive vision of the church's rich and multifaceted relational nature this book draws on the mainstream Christian koinonia based framework Consequently it provides possible solutions to some of the most divisive ecclesial issues that Christian communities face today regarding church structure ministry mission communal interpretation and reform As it sets on a new footing the conversation between Adventism and other mainstream Christian traditions the methodology of this book serves as a pathway for any Christian community to use when revisiting and enhancing its own current theologies of the church

The Body of Christ Reinder Bruinsma, 2009 With a clear straightforward definition such as this the subject of the church isn't one that most people would consider a doctrine For this reason there aren't many books that deal with this crucial fundamental belief This very readable and informative treatment of such a vital topic fills an important gap in Adventist literature Reinder Bruinsma's far ranging look at the doctrine of the church moves from Old and New Testament foundations for this doctrine up through church government and on to controversial issues such as ordination and church discipline Fittingly he concludes with the mission and future of the church His fourfold approach biblical and theological historical practical and with an Adventist perspective ensures that every facet of the doctrine is explored in detail This thought provoking discussion challenges those who call themselves God's people to examine their current understanding of the church and to prayerfully consider their roles as part of the body of Christ
