The History of al-Ṭabarī Vol. 2 Abū Ja'far Muḥammad ibn Jarīr al-Ṭabarī,1987-01-01 This volume records the lives and efforts of some of the prophets preceeding the birth of Mohammad It devotes most of its message to two towering figures Abraham the Friend of God and his great grandson Joseph The story is not however simply a repetition of Biblical tales in a

slightly altered form for abar sees the ancient pre Islamic Near East as an area in which the histories of three different peoples are acted out occasionally meeting and intertwining Thus ancient Iran Israel and Arabia serve as the stages on which actors such as Biwarasb the semi legendary Iranian king Noah and his progeny and the otherwise unknown Arabian prophets Hud and Salih appear and act In the pages of this volume we read of the miraculous birth and early life of Abraham and of his struggle against his father s idolatry God grants him sons Ishmael from Hagar and Isaac from Sarah and the conflicts between the two mothers the subsequent expulsion of Hagar and her settling in the vicinity of Mecca all lead to the story of Abraham s being commanded to build God s sanctuary there Abraham is tested by God both by being commanded to sacrifice his son and here abar shows his fairness by presenting the arguments of Muslim scholars as to whether that son was Ishmael or Isaac and by being given commandments to follow both in personal behavior and in ritual practice The account of Abraham is interlaced with tales of the cruel tyrant Nimrod who tried in vain both to burn Abraham in fire and to reach the heavens to fight with God The story of Abraham s nephew Lot and the wicked people of Sodom also appears here with the scholars once again arguing this time over what the exact crimes were for which the Sodomites were destroyed Before proceeding to the story of Joseph which is recounted in great detail we linger over the accounts of two figures associated with ancient Arabia in Muslim tradition the Biblical Job who despite his trials and sufferings does not rail against God and Shu ayb usually associated with the Biblical Jethro the priest of Midian and father in law of Moses Finally we meet Joseph whose handsome appearance paternal preference and subsequent boasting to his brothers lead to his being cast into a pit and ending up as a slave in Egypt His career is traced in some detail the attempted seduction by Potiphar s wife his imprisonment and eventual release after becoming able to interpret dreams and his rise to power as ruler of Egypt The volume ends with the moving story of Joseph s reunion with his brothers the tragi comic story of how he reveals himself to them and the final reunion with his aged father who is brought to Egypt to see his son s power and glory This is proto history told in fascinating detail of us in different contexts as well as of others completely unknown to Western readers *The History of al-Ṭabarī Vol. 2* ,2015-06-10 This volume records the lives and efforts of some of the prophets preceeding the birth of Mohammad It devotes most of its message to two towering figures Abraham the Friend of God and his great grandson Joseph The story is not however simply a repetition of Biblical tales in a slightly altered form for abar sees the ancient pre Islamic Near East as an area in which the histories of three different peoples are acted out occasionally meeting and intertwining Thus ancient Iran Israel and Arabia serve as the stages on which actors such as Biwarasb the semi legendary Iranian king Noah and his progeny and the otherwise unknown Arabian prophets Hud and Salih appear and act In the pages of this volume we read of the miraculous birth and early life of Abraham and of his struggle against his father s idolatry God grants him sons Ishmael from Hagar and Isaac from Sarah and the conflicts between the two mothers the subsequent expulsion of Hagar and her settling in the vicinity of Mecca all lead to the story of Abraham s being commanded to build God

Prophet of Islam Jamaal Williams,2024-04-01 Woe is me poet or possessed Muhammad Could it be that one of the most influential men in history was manipulated by satanic powers It s time to unveil the many unsavory truths about the founder of Islam Muhammad drawn directly from Islamic sources The prophet of Islam was arguably demon possessed or severely demonically influenced Muhammad s prophetic career began with an encounter with a spirit entity in the cave of Hira Islamic

literature states that the alleged angel Gabriel manhandled and abused him leaving him terrorized suicidal and in a state of madness This encounter alone should raise red flags Moreover Islamic texts report that Muhammad was under a black magic spell uttered the words of Satan in the infamous Satanic Verses event and had a demonic spirit guide or familiar spirit Again this is all coming from Islamic texts Additionally Muhammad and many of his contemporaries believed he was demon possessed Indeed he experienced many strange physical manifestations such as twitching foaming at the mouth convulsing roaring or snorting like a camel that was falsely believed to be divine inspirations from the supposed angel Gabriel and or Allah These disturbing accounts form the basis of our e book which gives an uncensored and uncompromised look at Muhammad and the religion he founded Islam The content of Islamic texts is shocking appalling and downright disturbing Much of such information is not even known to educated Muslims Nothing is held back when Muhammad s deplorable morality is scrutinized Would God who is righteous and holy work behind a person who sanctioned many atrocious acts and practices child marriage wife beating assassinations torture and sex slavery Was Muhammad a perfect example for mankind as many Muslims believe when Islamic sources document actions that many today would describe as cruel discriminatory oppressive and tyrannical What is also covered is his controversial consummation of marriage to a 9 year old girl named Aisha at the age of 54 What spirit was moving behind Muhammad to practice what many today would consider to be gross crimes against humanity This e book has a wealth of evidence that Muhammad was indeed demon possessed and thus should be considered a false prophet of God We thoroughly examine the idea of him being demonically influenced using over 1 000 direct quotations all hyperlinked directly to the source from the most authoritative Islamic sources the Quran authentic hadiths tafsirs sira literature etc The idea that the enemy manipulated Muhammad is not the conclusion of a mere layman in demonology but of someone with many years of experience in deliverance ministry i e expelling demons out of people by the power and authority of Jesus With this expertise the e book uncovers not only the evidence but also the broader implications What would be the purpose of Satan using Muhammad One reason is to blind people s minds from believing the Gospel that Jesus is the only begotten Son of God who died on the cross for the sins of the world and was resurrected Without the belief in the Gospel there is no salvation This analysis serves a critical purpose for all truth seekers It is a great resource for those involved in Christian apologetics and polemics with many references refuting the religion of Islam
