**The Brown County Chronicles of Gunther Flumm** John Wm. Sisson, 2007 Brown County Indiana is a hill encrusted heavily forested jewel of Geography which has retained a turn of the century rural reputation For over one hundred years it has harbored a major Midwest art colony that has thrived alongside the local rustics Creative intellectual individuals live among commonsense down to earth individuals ironically a beloved combination from both sides of the coin to this day These Gunther Flumm Chronicles while entirely fictitious could have actually happened if anything in them was even close to reality which of course they are not However do not let that dissuade you from enjoying the mysterious mishaps that these yarns so inelegantly describe in the language of the Hoosier Hillbilly Gunther Flumm Each reader will find that each tale stands on its own complete with illustrations by John William Sisson Just what was it that inspired Gunther Was it an extra good batch of moonshine or a good dose of hickory from his wood fire One thing does remain clear actual factual fantasy has remained alive and unabated It s also clear to me that you will enjoy this collection of County yarns
