In Search of Eden (The Second Chances Collection Book #2) Linda Nichols, 2007-02-01 More Heart Gripping Fiction From Bestselling Author Linda Nichols A girl who has never been able to settle down Miranda begins various adventures but whenever reality begins to tarnish her dreams she gives up As she approaches her twenty seventh birthday she determines to reinvent her life But there s one loose end to tie down first Joseph Williams the chief of police in Abingdon Virginia always tries to do what is right to perform his duty and protect those he loves He becomes suspicious of the new woman in town and after checking further he discovers she has no history Then he finds a baby picture of his niece in her possession In Search of Eden is a story about law and grace about forgiveness and redemption about finding joy and rest in a broken world

Wicked Charleston, Volume 2 Mark R. Jones, 2006-06-01 In this follow up volume Mark R Jones uncovers the seedy and wicked past of Charleston Prostitutes Politics and Prohibition The city of Charleston South Carolina with its matchless Southern charm has sparkled gem like on the Carolina coast for more than three hundred years The Holy City as it is known has been a cherished home to generations and an inviting destination for visitors from all over the world who come to tour its celebrated historic sites and to bask in both the warm sun and the famous Southern hospitality But below the gleaming surface of Charleston there has always been a darker side a second history that has been hidden and denied by those who retell the city s story and by those who have lived it Charleston has played host to a wide variety of unsavory characters and has seen scores of sordid deeds played out on its cobbled streets beneath flickering gaslights Wicked Charleston Volume 2 Prostitutes Politics and Prohibition is a captivating companion to Mark Jones s hugely popular Wicked Charleston In this new book Jones reveals more of the city s seedy history from drinking and prostitution to murder and crooked politics offering a rarely seen glimpse of a sinister side of Charleston s past

The Small Town Boy's Secret Romance (Richmond Rebels Sweet Romance Book 2) Jessie Gussman, 2020-02-25 Her family is the reason his brother went to prison Thad Truax is focused on getting the shop he owns with his brothers on the right side of the law and turning a profit but he s not against the idea of romance So when he sees a beautiful woman along the river he doesn t hesitate to strike up a conversation that leads to friendship Unfortunately by the time he realizes who she is he s already falling for her After the awful incident that split their town and ended up with Thad s brother in prison Justice Hopkins could never be seen in public with Thad Truax But there s another even more explosive reason they can t be together Still they can t keep pretending to be strangers during the day while stealing sweet kisses at night under the willow tree Can they bring their relationship out to their family and friends without it destroying them Reviews for The Small Town Boy s Secret Romance Mystical magical and tremendously emotional journey of two people who really cared for each other How they intertwined throughout was captivating Judi Sometimes Christian fiction can be rather bland skipping character development or not choosing challenging issues with which to deal But Jessie is not the usual writer Sara The characters are real and vulnerable The relationship is

grounded and based upon a foundation of solid principles Their chemistry is yummy and keeps the plot moving nicely

Brandon I like the deep conversations these two share as they reveal things to each other that have caused their trust issues

Rolleston,2001-01-01 Modern biblical dictionaries and commentaries designed for a popular readership tend to shy away from any reference to the word Mazzaroth let alone attempt to interpret it This is scarcely surprising for the word is obscure and it occurs only once in the Bible twice if it is equated with Mazzaloth Traditional sources tended to interpret the word as meaning the constellations specifically those forming the zodiac But there was no universal agreement others accepted that the word referred to the zodiac or even identified it with the star Sirius The idiosyncratic ideas expressed in the four parts of Mazzaroth and its appendix Mizraim are all based on solid research misapplied perhaps in light of Rolleston s steadfast Christian outlook but fully documented and with sources quoted at length The whole work provides the reader with an amazing compendium of obscure material on ancient mythology symbolism and etymology with comprehensive biblical references and a wealth of learned and detailed footnotes Much of the information is set out in a tabular form that inevitably reminds the reader of S L MacGregor Mathers s book of correspondences that we know as 777 And this may not be coincidental Mazzaroth may have been passed over by reviewers when it appeared but it was not ignored by esoteric scholars even though they were not its intended readership W Wynn Westcott possessed a copy and loaned it to the Golden Dawn library where it was certainly read by F L Gardner he includes the book albeit misdated in his Bibliotheca Astrologica and most probably by Mathers when he compiled 777 It is a valuable resource that fully deserves its rescue from oblivion just as its neglected author deserves our praise Rolleston 1781 1864 spent her life studying the sky and the scriptures

Mazzaroth Frances Rolleston,2010-01-01 In Mazzaroth or The constellations originally published in 1862 19th century English linguist and scholar FRANCES ROLLESTON 1781 1864 presents readers with her theory of the gospel in the stars Rolleston believed that through the ancient names for the stars one could discover the oldest knowledge transmitted from God to man the method of man s redemption and the coming of the Jewish messiah Mentioned in the book of Job the Mazzaroth is generally believed to be the signs of zodiac By passing through each sign a person with a full understanding of the constellations and their meanings can interpret God s message Rolleston painstakingly provides readers with evidence she claims that the signs of the zodiac are an allegory for the New Testament Through Egyptian hieroglyphs Assyrian writings and even the writings in ancient Mexico she constructs a system of symbols and metaphors all of which attest to a singular meaning to the arrangement of the constellations Students of the occult and readers with an interest in astrology
