The Catholic Girl's Guide Rev. Francis Xavier Lasance,2012-06-29 The members of the Little Flowers Girls Clubs are sure to recognize the Maiden s Wreath of Virtues in this classic on which their flower badges were based Father Lasance explores in depth the virtues of the Catholic Girl as personified by various flowers with particular attention to that most precious possession the lily of purity However this book goes far beyond simple lessons in virtue it is truly a manual for the Catholic young lady from the middle years up to and including married life Like its companion volume The Young Man s Guide the original book contained hundreds of pages of prayers devotions litanies and even a Latin Missal Select prayers from this section have been placed at the end of each chapter and the rest have been omitted in order to make this valuable book available in a more portable and affordable format for today s Catholic girl Due to this fact this volume is considered abridged however all material contained in this edition is unchanged based on the original 1906 edition by Benziger Brothers Beautifully illustrated with 17th century botanical engravings and Victorian art this book is sure to be a cherished keepsake

confusion concerning the relation between the sexes stands the beauty of the Christian conception of manhood and womanhood As Catholics we can combat the multifaceted plague especially represented by the spread of anti Christian gender ideology only when we ourselves live up to our dignity as men and women as created in the image and likeness of God A most important frontier of that battle is in family life beginning with its preparation The Catholic Girl's Guide is the perfect companion for teenage and young adult women determined to blossom in Catholic integrity and piety The inspiring exhortations and instructions along with the edifying prayers contained in this guide are designed to assist the formation of girls in order to assist in deciding upon their calling Common and essential to the married unmarried and religious state is walking the path of virtue and sanctity A perfect gift for loved ones and especially for young families the practical counsel in The Catholic Girl's Guide is vital for forming the next generation of women ready to give witness to the beauty and nobility Catholic virtue The Catholic Girl's Guide Francis Xavier Lasance,2016-10-08 Excerpt from The Catholic Girl's Guide Counsels and Devotions for Girls in the Ordinary Walks of Life and in Particular for the Children of Mary A threefold word of warning addressed to the youthful reader yet remains to be added I Do not my dear child select from the Spiritual aliments here offered you only the dainty morsels the attractive sweetmeats that is to say do not read merely the stories anecdotes or verses but peruse the whole thoughtfully and attentively each Chapter each instruction in turn and apply what you have read to yourself not to others About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Catholic Girl's Guide and Sunday Missal** Francis Xavier Lasance,1955

The Catholic Girl's Guide Rev. Francis . X. Lasance,Brother Hermenegild Tosf,2013-12-15 The exhortations or instructions which constitute the principal part of this work were originally conferences which I in my character of chaplain to a young ladies Institute gave to girls between fifteen and twenty years of age The following are the reasons which led me to place them before the public In the first place I felt that the conferences would be of more permanent utility to the girls who heard them if they could be read by them afterward in print In the second place I knew that if these instructions were published whatever beneficial influence they might have would no longer be restricted to those who were present when they were delivered since they would become to a greater or less extent the common property of a far wider circle of Catholic girls in equal need of counsel and instruction And my third reason was that amongst all the numerous and excellent instructive Manuals and Prayer Books for Catholic girls there is not to my knowledge a single one that treats of the spiritual life of a young girl in so comprehensive and detailed a manner as is done in these pages *The Catholic Girl's Guide* Father
