The creation of an Extension Service Center for Excellence at the Penn State Univ. surely has made it possible to conduct the research necessary to create this previously published literature for canning foods. In the future, this Center is the cooperative effort of the Extension Service, Cooperative State Research Service, and the Penn State University, with Carol D. Kuhn, PhD, of the Penn State University as Director.

The Extension Service wishes to credit the primary development of this guide to Carol D. Kuhn, Elizabeth L. Anderson, currently with the University of Georgia, and Thomas B. Condit, Extension staff who assisted in preparing this guide include William F. Bostedt, Catherine B. Wilson, Nancy F. Rowers, and Elizabeth A. Hughes. Extension staff who assisted in this revision include Kathryn A. Hall, University of Connecticut and Thomas B. Condit, University of Georgia. For the research that recommendation was conducted by Carolyn Reed and Ryan Hestonard (Oregon State University) with partial funding from the ORE Extension Sea Grant Program. All have contributed significant ideas and time in making this guide a truly up-to-date research-based publication.
