

Valuation Guide for Goodwill Donors

The U.S. Internal Revenue Service (IRS) requires donors to value their items. To help guide you, Goodwill Industries International has compiled a list providing price ranges for items commonly sold in Goodwill® stores. Assume the following items are in good condition, and remember: prices are only estimated values.

Geneviève Zubrzycki,2017-05-09 National Matters investigates the role of material culture and materiality in defining and solidifying national identity in everyday practice Examining a range of things from art objects clay fragments and broken stones to clothing food and urban green space the contributors to this volume explore the importance of matter in making the nation appear real close and important to its citizens Symbols and material objects do not just reflect the national visions

deployed by elites and consumed by the masses but are themselves important factors in the production of national ideals
 Through a series of theoretically grounded and empirically rich case studies this volume analyzes three key aspects of
 materiality and nationalism the relationship between objects and national institutions the way commonplace objects can
 shape a national ethos and the everyday practices that allow individuals to enact and embody the nation In giving attention to
 the agency of things and the capacities they afford or foreclose these cases also challenge the methodological orthodoxies of
