Platform Business Models R. Srinivasan, 2021-06-13 This book introduces platform firms as unique business models. Leveraging on the early literature on network economics and strategy frameworks, this book explores how platform business firms evolve in the modern business world. Taking a strategic perspective, this book engages the reader with core concepts, case studies, and frameworks for analyzing platform business firms. This book differentiates platform business firms from traditional pipeline firms, explores engagement with different actors, value creation, and operations of platforms, elucidates resources and capabilities of platform firms that provide them sustained competitive advantage, analyzes performance levers in operating platform business models including complementarities with other business models, and discusses the sustainability of platform business models in the face of regulatory and societal challenges among others. The book is designed as a primer for entrepreneurs setting up and operating platform business firms, senior managers in large corporations repurposing their resources to initiate network dynamics in their businesses, early career managers, and professionals engaging with myriad platform firms for their professional and personal needs. This book intends to provide a decision maker with a portfolio of decisions to make to create, operate, sustain, and generate value out of a platform business firm. It is also useful for policy professionals to appreciate the economics and policy implications of regulating and governing platforms in a post-digital world. Household & Personal Products Industry, 1996 **Maximum PC**, 1999-07 Maximum PC is the magazine that every computer fanatic, PC gamer, or content creator must read. Each and every issue is packed with punishing product reviews, insightful and innovative how-to stories, and the illuminating technical articles that enthusiasts crave. **Talking About Love** C.S. Mae, 2024-08-07 Jake Howell's bad boy reputation has finally caught up with him, and now he's in hot water with his boss. If Jake can't get his act together ASAP, he's going to find himself kicked to the curb, so he needs a girlfriend to show the world that he CAN have a normal, healthy relationship. Enter Miriam Torres Malina, his sister, sassy, pint-sized, and fed up with everyone wondering why she's still single. She needs a fake boyfriend to quiet all the talk, and she's got her eyes on Jake. After agreeing to a fake relationship with all the benefits that result, the pair are astonished to find that sometimes fake it till you make it is the best medicine for a heart still healing from the past. **Author's Note:** This book was written in the midst of COVID lockdown when I was suffering from stress, sadness, and downright FREAKING OUT. It is the fluffiest piece of nonsense you will ever read and is guaranteed to lift your mood. **Environmental Communication and the Public Sphere** Phaedra C. Pezzullo, Robert Cox, 2025-08-12 The Seventh Edition of the award-winning *Environmental Communication and the Public Sphere* is the best-selling comprehensive introduction in the field of environmental communication.
