Shain,1983-06-18 **His Wife Leaves Him** Stephen Dixon,2013-09-07 This prose fiction novel written by literary
prizewinner Stephen Dixon replicates the consciousness of a jilted man Stephen Dixon one of America s great literary
treasures has completed his first novel in five years His Wife Leaves Him a long intimate exploration of the interior life of a
husband who has lost his wife His Wife Leaves Him is as achingly simple as its title A man Martin thinks about the loss of his
wife Gwen In Dixon s hands however this straightforward premise becomes a work of such complexity that it no longer
appears to be words on pages so much as life itself Dixon like all great writers captures consciousness Stories matter here
and the writer understands how people tell them and why they go on retelling them for stories finally may be all that Martin
has of Gwen Reminders of their shared past some painful some hilarious others blissful and sensual appear and reappear in
the present Stories made from memories merge with dreams of an impossible future they ll never get to share Memories and
details grow fuzzy get corrected and then wriggle away out of reach again Martin holds all these stories dear They leaven
grief so that he may again experience some joy Story by story then he accounts for himself good and bad moments of grace
occasions for disappointment promises and arguments From these things are their lives made InHis Wife Leaves Him
Stephen Dixon has achieved nothing short of the resurrection of a life through words When asked to describe his latest work
the author said that it s about a bunch of nouns love guilt sickness death remorse loss family matrimony sex children
parenting aging mistakes incidents minutiae birth music writing jobs affairs memory remembering reminiscences forgetting
repression dreams reverie nightmares meeting dating conceiving imagining delaying loving His Wife Leaves Him is Dixon s
