Vampire Knight Chapter Guide:

My Vampire Knight (Sanctuary, Texas #7) Krystal Shannan, 2017-06-09 **Her Vampire Knight** Ines Johnson, This little panther shifter thinks she's captured me. Me, one of the most feared vampires in history. I like the feel of her claws so I'll stay put. I like the heat of her flesh in my hands so I'll let her think she has a hold on me. I like the sweet taste of her lips, the ones above and below her belt so I'm more than happy to keep her sassy mouth occupied. What I can't do is penetrate that most sacred part of her. I'm a massive goliath. She's a wee kitten. I'd split her in two. Doesn't mean I can't pet her and make her purr. The problem is the more she rubs her lush curves against me, the more the beast below stirs, ready to claim her untouched heat. I can't let it go that far. If I do it will surely break us both. *Sanctuary, Texas Complete Series Box Set* Krystal Shannan, 2021-02-02 From USA Today Bestselling Author Krystal Shannan comes seven books in a sizzling romantic series filled with action and adventure and fantasy and passion. Fans of *The Black Dagger Brotherhood* and *Lords of the Underworld* will discover a heart-pounding toe-curling ride into a small town of fantastical creatures and a war for world domination they won't soon forget. This collection includes the complete series: Book 1 *My Viking Vampire* I'll fight to the end or die trying. I've got nowhere to run except into the arms of a sexy stranger who says he can protect me. But this guy comes with a bit more than I bargained for: fangs. Book 2 *My Dragon Masters* My body burns with a hunger I can't describe. I'll do anything to find them and so will the beast that lives inside me. I don't know how much time has passed. I don't know where I am or where I'm going. I just know that two men are waiting for me and that I belong with them. Book 3 *My Eternal Soldier* I thought I killed the woman I loved a thousand years ago. The last time I saw her, my sword was in her chest. Now the fates have granted me a second chance. I won't waste it. I won't let her slip away again. Book 4 *Mastered* Teagan I deserve nothing but pain. No happily ever after. Just agony and the numbness that follows. But the pixies tricked me. Now my new Dom wants to inflict pain. I don't think I can endure. He wants to love me. Book 5 *My Warrior Wolves* She is ours. She has always been ours. Our desire burns for her and only for her. We gave her the space she asked for. The time to heal. But now evil is stalking her and we must claim her before we lose her forever. Book 6 *My Guardian Gryphon* A beast and his beauty. She's beautiful and perfect. I'm scarred and broken. She's kind and comforting. I'm nothing but hard edges. She is forbidden. I can't have her. And it makes me want her more. Book 7 *My Vampire Knight* I'm a siren and cursed. Any man I love dies. Godric Deveraux thinks he can beat the curse. I know he can't. No one can. My father made sure of it. And now I am fated to watch the only man I've ever truly loved die in front of me. *Joshua the Vampire Knight* George Allen Butler II, 2021-03-30 Forced into a world of perpetual night, the vampire Joshua sits down to finally set the record straight. 800 years have passed since that fateful night, and so much has happened. Faced with perilous adventures and monsters beyond imagination, Joshua struggles with how he went from being a knight in shining armor to the villain he so desperately sought to destroy. In the first book ever written by George Allen Butler II, he explores the fall from grace a Crusader Knight takes as he struggles to stay on the

Vampire Heide Crawford, 2016-08-30 The long and distinguished tradition of the literary vampire began in Germany during the Age of Enlightenment German literature was the first to adapt the vampire figure from central European folklore and superstition and give it literary form Despite these German origins scholarly attention devoted to literary vampires has consistently focused on a select set of sources British and French literature Bram Stoker's Dracula and the phenomenon of the vampire superstition in general While there have been many illuminating studies of pre literary vampires and vampires that have already been firmly established as literary figures the story of the crucial moment of transition from folkloric figure to literary subject has not yet been told In The Origins of the Literary Vampire Heide Crawford redirects scholarly attention to the body of German poetry and prose where vampire folklore becomes vampire literature This book focuses on the adaptation of the vampire superstition from central European folklore by German poets in the 18th and early 19th centuries for an audience that had become increasingly interested in superstition and occult phenomena in an Age of Enlightenment In addition to establishing that the origins of the literary vampire in 18th and 19th century German poetry and prose were informed by the stories and reports of vampires from Central Europe Crawford argues that the German poets who adapted this figure from superstition for their creative work immediately molded it into a metaphor for contemporary cultural anxieties and fears a connection that would inspire horror literature in general and the traits of the literary vampire in particular for the 19th century and beyond Contemporary culture has exhibited a marked fascination with eroticized and

politicized applications of the vampire This volume traces these erotic motifs common political motifs and others to the first vampire poems that were written by German poets Consequently this book answers three central questions What were the origins of the literary vampire how was the vampire of folklore and superstition adapted for literature and how did German poets contribute to the development of the vampire and Gothic horror literature By answering these and other questions *The Origins of the Literary Vampire* explains how the literary vampire became the ubiquitous horror figure it is today
