Tracing Your Great War Ancestors: The Egypt & Palestine Campaigns Stuart Hadaway, 2017-06-30 Tracing Your Great War Ancestors The Egypt and Palestine Campaigns is the first book explicitly aimed at helping the descendants of those who fought in this part of the Middle East find out more about their ancestors actions experiences and achievements Their wartime lives were very different to those who served on the Western Front and yet have never before been explored from this angle Hundreds of thousands of British and Imperial troops fought in the Western Desert Sinai Desert Palestine the Jordan Valley and Syria They served in conditions quite unlike those more familiarly faced

in France and Flanders with everyday challenges to survival including the heat lack of water hostile wildlife and rampant disease The fighting too was of a different character with more open sweeping campaigns across desert and mountains and comparatively little systematic trench warfare As well as giving the reader a vivid impression of the experience of wartime service in the region Stuart Hadaways handbook provides a guide to the main sources archives and websites that researchers can consult to get an insight into their ancestors role and their contribution to the war effort

complete disregard of personal safety and very gallant leading set a magnificent example to all This was during an extended action which included his single handedly charging an Austrian machine gun post that had his unit pinned down killing most of the crew and turning the weapon on the enemy Tragically Lieutenant Youll VC was killed soon after during the Battle of Vittorio Veneto the final battle of the Italian campaign just twenty four hours before the ceasefire on this front and a mere fortnight before the end of the wider war Jack Youll s example of dutiful service leadership and courage has hitherto received little recognition beyond a dignified graveyard memorial in his hometown This well researched and detailed account written by his relative Nina Youll and historian Paul Chrystal provides at last a fitting testimonial to a true hero of the Great War
